*Fewer, Bigger, Bolder* Sanjay Khosla, Mohanbir Sawhney, 2014-07-24 When it comes to growing revenues not all dollars

are equal In company after company that Sanjay Khosla and Mohanbir Sawhney worked for or researched they saw businesses taking on more products more markets more people more acquisitions adding more of everything except what really mattered sustainable and profitable growth And in many of these companies large or small from America to Europe to Asia every quarter became a mad dash to find yet another short term revenue boost There had to be a better way an alternative to the scramble for mindless expansion The answer lies in Fewer Bigger Bolder a market proven step by step program to achieve sustained growth with rising profits and lower costs The authors prove that given the right incentives managers using this program can produce astonishing results in amazingly short time frames That s exactly what Khosla accomplished as President of Kraft s developing markets which enjoyed eye popping revenue growth from 5 billion to 16 billion in just six years while profitability increased 50% Sawhney a professor at Northwestern s Kellogg School of Management discovered a similar formula for stellar results when advising a portfolio of businesses from Fortune 500 giants to technology start ups No matter how big the company or how difficult the economic environment managers who use this seven step program Focus7 will learn how to make fewer but bigger bets and to create a virtuous cycle of growth Fewer Bigger Bolder crosses the usual boundaries of strategy execution people and organization Its framework shows how you can drive growth by targeting resources against priorities simplifying your operations and unleashing the potential of your people By challenging the conventional wisdom about growth Fewer Bigger Bolder is likely to ignite a vigorous debate throughout the business community It s a game changing book that couldn t be more timely Or more needed *Microtimes* ,1997 *Hi Fi/stereo Review* ,1993 *Practical Farm Ideas Quarterly* ,1996 *Brandweek* ,2007-10 *Condé Nast's Traveler* ,2006
