**Signs and Seasons** Melanie Shubitowski, 2019-12-04 What is the evidence that we are truly living in the last days described in the Bible Even the disciples thought Jesus would return in their lifetime and people for centuries have looked at this event or that event and thought the end days were upon them so how are the world events of today different from those before Is there something going on today that is unprecedented throughout human history In Signs and Seasons you ll discover an eye opening and thought provoking journey through the signs evident in our world today What are the signs we should be watching for Are the signs evidence of an event to happen immediately or are they part of a bigger picture Explore the signs from the past that were outlined in the Bible that have been fulfilled and what lies ahead for the human race Discover how scientific and archeological finds actually help support the truth of scripture Uncover what is not being told by the media and how world events relate to prophecy foretold long ago What is the season that was foretold and how do we recognize and prepare for it Are the prophecies told centuries ago something to fear and avoid or is there a real reason for hope in all the chaos and deception of today s world Signs and Seasons will alter the way you view the world around us

Bush Jr.,2022-03-15 Worshiping in Season guides ministers through a meaningful framework for ecologically oriented worship Following the liturgical calendar and maintaining a Christocentric emphasis Joseph E Bush Jr aligns earthly seasons with the liturgy and suggests readings songs and other acts of worship to amplify an ecologically informed Christology The seasons of Lent Easter and Pentecost and Advent Christmas and Epiphany recall and reenact dramas about Jesus Christ that entail good news for the natural world and for the flourishing of earthly creatures Bush examines the Christological and ecological importance of selections from the Roman Catholic Lectionary for the Mass and the Revised Common Lectionary that is used in ecumenical Protestant denominations Creation and Christ weave together in concert and Christian worship is seen as an opportunity to participate in both creation s longing and in Christ s saving work Each chapter includes resources and suggestions for worship as well as biblical commentary and theological interpretation helpful to preaching This book is a valuable companion in preparing for worship during the important seasons of the Christian year giving voice to our faith in Christ and our hope for the Earth      *The New Testament of Our Lord & Saviour Jesus Christ* Joseph Benson,1854      **Hidden Enemies in the Ministry** Pastor Ron Keller MA,2023-04-26 The Christian ministry can be so complicated that no pastor is totally prepared for what is about to hit them

There are situations that arise one never anticipates Pastor Keller believes he has faced them all and he shares them in his book on Hidden Enemies in the Ministry Keller has had to lock horns over legalism face a charismatic invasion that split his church be fired for doing what he said he would do when he was hired deal with witchcraft and the occult within his own congregation have an outside pastor try to steal his ministry ignorantly allow liberalism to get a foot in the door be accused of immoral behavior and worst of all try to minister when his wife was dying of cancer Keller tells how he dealt with all these situations and does so with other pastors in mind as his desire is to share his lifetime experiences so others do not fall into the same traps Keller is also concerned about the the silent pulpit and the fear of pastors to preach the whole council of God and that includes the moral political issues that are destroying our nation issues like abortion critical race theory the social justice movement Too many pastors are too politically correct in their preaching that their compassion for their flock is more important than telling the truth It has been said of those who have read this book that it ought to be required reading in the practicum department of every Bible college in America Experience gives one far more wisdom for ministry than what is learned in seminary It is my hope and prayer that Hidden Enemies in the Ministry will better equip you to be a more successful servant of Christ in fulfilling His calling on your life
