Hayes, 2015-12-11 It is the purpose of this book to examine the ever changing meaning of the term liberal arts and to trace its development from antiquity to the present In doing so the text will compare and contrast the values of such an education with the other important objective of schools and colleges which is to prepare students with appropriate occupational training The book will highlight the arguments of both points of view In doing so attention will be paid to the contributions to society of those who have been exposed to a variety of educational curricula As part of the study the impact of the community college will be considered along with the impact of recent initiatives such as the Nation at Risk Report No Child Left Behind Race to the Top and the Common Core Finally the text will conclude with an attempt to suggest the direction that will determine the fate of liberal arts in schools and colleges *Razor Clams* David Berger, 2017-09-12 In this lively history and

celebration of the Pacific razor clam David Berger shares with us his love affair with the glossy gold colored *Siliqua patula* and gets into the nitty gritty of how to dig clean and cook them using his favorite recipes In the course of his investigation Berger brings to light the long history of razor clamming as a subsistence commercial and recreational activity and shows the ways it has helped shape both the identity and the psyche of the Pacific Northwest Towing his wife along to the Long Beach razor clam festival Berger quizzes local experts on the pressing question tube or gun He illuminates the science behind the perplexing rules and restrictions that seek to keep the razor clam population healthy and the biomechanics that make these delicious bivalves so challenging to catch And he joyfully takes part in the sometimes freezing cold pursuit that nonetheless attracts tens of thousands of participants each year for an iconic beach to table experience Watch the book trailer <https://www.youtube.com/watch?v=oiyG20LdLVw> Legislative Calendar United States.
