The quaint Montana town has everything she needs including a store she's turned into a candy shop. Her life is as sweet as the fudge she makes until Levi Montgomery rides into town. Levi has spent too many years fighting a war no one can win. He thought he'd worked through most of his issues, found peace in the aftermath of hell. When he arrives in Sapphire Bay, the last person he expects to see is Brooke. Two years ago she broke his heart, and he'll do everything he can to keep his distance. As the sparks between them ignite, Brooke's past comes back to haunt her. The Billionaire's Bride Bonnie R. Paulson, Getaway Bay, Elana Johnson, 2019-12-21

Two best friends, their hasty agreement, and the fake engagement that has the island of Getaway Bay in a tailspin. Ashley Fox has known three things since age twelve: she was an excellent seamstress, what her future husband and wedding would be like, and that she'd never leave the island of Getaway Bay. With an ill parent to take care of, Ash has fulfilled two of those things. She loves living in Getaway Bay and owning her own custom wedding dress shop while managing her mother's health. But the husband and wedding she's always dreamed of? Those seem like they're never going to happen for her. When her best friend and beach running partner, Burke Lawson, asks her for a favor, she says yes. If she'd have known he was going to ask her to be his girlfriend for a night because his father insists he settle down before turning over the multi-billion dollar flower company to him, Ash might have said no. Might have. She's had a crush on Burke for a while, but he's never been serious about anyone. Ever. She knows it's part self-preservation and part facade, but she has no idea how much she's willing to jeopardize their friendship for a shot at something more. Burke has never told anyone about his past heart-crushing relationship, but he suspects Ash knows. She goes along with his player persona, but when he can't stop thinking about having her as his girlfriend for more than one day, he wonders if he can take this fake relationship into something real. And when he accidentally blurts that they're engaged, things get really interesting. Can Burke and Ash find a way to navigate a romance when they've only ever been friends? Escape to Getaway Bay and join the Brides Beaches series for some seriously sweet romance. Each book can be read as a standalone with a happily ever after ending and a clean, sweet romance without losing the heat. seems like the perfect start to a romance. There's just one problem: neither is the least bit interested in falling in love. They're simply looking for peace and time to work through their losses. But Rachel's Aunt Eleanor and Fletch's Gram have a few surprises in store for these two wounded souls, and as they enlist their help restoring a vacation cottage for one of Gram's charities, might these endearing matchmakers pave the way for Rachel and Fletch to discover the charms of the Golden Isle and each other. In this Carol Award winner, Irene Hannon explores the wonder of second chances and the joys that await if we have the courage to seize the opportunities that come our way, even if they require us to change our plans.
