## **Second Semester Intake University Of Limpopo:**

**The Origin and Growth of Geography as a discipline at South Africa Universities** Gustav Visser, 2016-09-20 The publication provides the first comprehensive text that reflects on a century of the development of geography as an academic discipline at South African universities The book showcases a broad and textured review of South Africa s geography departments their staff members their times and the different Geographies they engaged in The book lays the foundation from which more expansive individual departmental histories can be written in the future

**Assessing Academic Literacy in a Multilingual Society** Albert Weideman, John Read, Theo du Plessis, 2020-11-02 South African universities face major challenges in meeting the needs of their students in the area of academic language and literacy The dominant medium of instruction in the universities is English and to a much lesser extent Afrikaans but only a minority of the national population are native speakers of these languages Nine other languages can be media of instruction in schools which makes the transition to tertiary education difficult enough in itself for students from these schools The focus of this book is on procedures for assessing the academic language and literacy levels and needs of students not in order to exclude students from higher education but rather to identify those who would benefit from further development of their ability in order to undertake their degree studies successfully The volume also aims to bring the innovative solutions designed by South African educators to a wider international audience

Legumes Research Jose C. Jimenez-Lopez, Alfonso Clemente, 2022-10-12 This book is a collection of updated studies related to current improvements in legume traits and their agricultural benefits It discusses the physiological functions genetics and genomics of legume crops Chapters address such topics as genetics and biological insights of seed traits in the context of climate change improving quality and yields of legume seeds new genetic resources from diverse germplasms and agricultural benefits of legumes in agroecosystems

**Annual Report ...** South Africa. Department of Higher Education and Training, 2016

Social Work in Social Change Nicci Earle, 2008 This study forms part of a series of studies on professions and professional education being conducted by the HSRC s research programme on Education Science Skills Development It follows a pilot study on medical doctors published in 2006 entitled Doctors in a Divided Society The profession and education of medical practitioners in South Africa Like the other studies in the series this study involved developing an understanding of the professional milieu and professional labour market of social workers As the implementers of government social policy social work professionals have been at the forefront of grappling with the practicalities of the changes in focus approach and methods of social security and social service delivery since 1994 It examines developments in the education and training of social workers within the democratic dispensation the most significant of which is the development of a national standardised Bachelor of Social Work degree The study also reveals that the dominant profile in student enrolment and graduation statistics has changed from white female to African female and that enrolment has increased significantly However the study also shows that graduation trends have been negative and

losses due to emigration are an additional concern Given the scarcity of these professionals against the demand for their services understanding the factors that contribute to this picture are critical to effective intervention *South African Journal of Science* ,2008 Nutrition Abstracts and Reviews ,2006 *Mathematics Today* ,1998 **Management of Mopane in Southern Africa** Charlotte Flower,G. Wardell-Johnson,Andrew Jamieson,2004 Report of the Secretary for Lands and Natural Resources Southern Rhodesia. Ministry of Lands,Southern Rhodesia.
