plague Picasso's blue period to the charcoal on the cave walls at Lascaux acid yellow to kelly green and from scarlet women to imperial purple these surprising stories run like a bright thread throughout history In this book Kassia St Clair has turned her lifelong obsession with colors and where they come from whether Van Gogh's chrome yellow sunflowers or punk s fluorescent pink into a unique study of human civilization Across fashion and politics art and war the secret lives of color tell the vivid story of our culture This passionate and majestic compedium will leave you bathed in the gorgeous optics of light The Palestinian Novel Bashir Abu-Manneh, 2016-04-26 What happens to the Palestinian novel after the national Elle dispossession of the nakba and how do Palestinian novelists respond to this massive crisis This is the first study in English to chart the development of the Palestinian novel in exile and under occupation from 1948 onwards By reading the novel in the context of the ebb and flow of Arab and Palestinian revolution Bashir Abu Manneh defines the links between aesthetics and politics Combining historical analysis with textual readings of key novels by Jabra Kanafani Habiby and Khalifeh the chronicle of the Palestinian novel unfolds as one that articulates humanism self sacrifice as collective redemption mutuality and self realization Political challenge hope and possibility are followed by the decay of collective and individual agency Genet's and Khoury's unrivalled literary homages to Palestinian revolt are also examined By critically engaging with Luk cs Adorno and postcolonial theory questions of struggle and self determination take centre stage The Pun Also Rises John Pollack, 2012-04-03 At once entertaining and educational this engaging book is a funny erudite and provocative exploration of puns the people who make them and this derided wordplay's remarkable impact on human history Weulersse, 2021-07-06 It s time to go to market so Nasreddine loads up the donkey and sets off with his father But when onlookers criticize his father for riding while Nasreddine walks the boy is ashamed The following week Nasreddine persuades his father to walk and let him ride but then people criticize the boy for making his father walk No matter what Nasreddine tries it seems that someone always finds something to disapprove of Nasreddine is a legendary character popular in stories told throughout the Middle East and this clever story will bring him to a new audience Accompanied by stunning artwork this tale offers a gentle reminder to readers that it isn t always necessary to listen to the world's criticisms Who Owns Ireland Kevin Cahill, 2021-07-30 It is the barbed wire entanglement that tortures yet frees in the long story of this small island on the dark edge of Europe It defined the national struggle for independence far more than any other single issue The famine between 1845 and 1850 killed a million of the island's population of 8 million and drove another million into exile This event chopped Irish history in half demonstrating as nothing else could that without security of tenure for a normal life span you were at the mercy of landowners This book is not about the famine but about the key event that followed it the extraordinary redistribution of land from mainly aristocratic landed estates to small farmers This redistribution took over 150 years from famine s end to the closure of the Land Commission in 1999 and was achieved with some civility and far less violence than the actual independence struggle itself Who Owns Ireland is a startling expose of Ireland's most valuable asset

its land Kevin Cahill's investigations reveal the breakdown of ownership of the land itself across all thirty two counties and show the startling truth about the people and institutions who own the ground beneath our feet **Personal Identity in** the Modern World Lawrence M.
