Secrets Of Coach S Office:

The Cleveland Directory Co.'s Cleveland (Cuyahoga County, Ohio) City Directory ,1916 **The Willington Secret** John Kone,John S. Kone,2000-01-21 The Willington Secret is about the perfect crime People are being murdered and the bad guys have discovered how to dispose of the evidence without a trace The story set in the mid 1960 s takes place in a small college town of Willington Georgia but this story could happen anywhere even in your home town What makes this story unique is that people committing the horrible crimes blend perfectly into the Willington community fabric The town citizens pass them on the streets eat at the same restaurants and belong to the same civic organizations but suspect nothing The good people of Willington don t realize that these highly respected pillars of the community have perfected a foolproof way to commit the ultimate crime and get away with it The hero is Josh Novack a student athlete whose only goal in life is to make it through college on an athletic scholarship As a result of an incredible chain of events Josh becomes committed and involved in the Willington Secret Now he faces a deadly dilemma expose the criminals before he becomes their next victim The villains however are thoroughly entrenched in the town hierarchy They are model citizens people of power and position thus making Josh Novack s task of revealing their secret insurmountable Although the story is fiction the recipe used to erase all evidence that a crime had been committed is not Take certain circumstances common to any community add some unscrupulous greedy people who just happen to be engaged in professions that provide the necessary cover and the result is the formula for the perfect crime The scariest part is that it could really happen **The Secret of Coaching and Leading by Values** Simon L. Dolan,2020-06-07 Coaches play a major role in helping people understand their values and the values of their surroundings and helping them make choices and adapt Sometimes the choice may be to find a situation more in sync with your values Or it may mean working hard on yourself or in concert with your partner team or organization Whatever we need to do to attain it a positive fit makes for a happier person and a happier person will be more successful This accessible and practical book will help coaches educators leaders and managers understand the philosophy methodology and tools that can be used to make a person happier healthier and more productive at work and in life in general This book compiles short vignettes from over a dozen global academics and celebrated executive coaches sharing information about aligning values in different settings Based on years of research and written for readers from all walks of life you will learn that when you understand your core values place them on a triaxial template and align them with your definition of success everything changes It will help you come out of your comfort zone in order to embrace the future and enhance the quality of your life For this you need a concept a methodology and effective tools all of which are offered in this book Rich with practical step by step methodologies and tools to facilitate values led leadership coaching and mentoring this book is essential for any change agent be it a coach a leader an educator or any person who is interested in learning how to become more effective improve their practice and engage in self or professional coaching At the same time it will enhance leadership
