Post-Soviet Geopolitics in Estonia Pami Aalto,2013-09-13 This work examines the construction of post Soviet political space
geopolitical discourses and boundaries in Estonia Making use of innovative methodological solutions such as Q methodology
its analysis includes in depth interviews that elucidate a variety of issues through human experience and subjective
perception such as Estonian Russian border disputes of the 1990s inter ethnic issues and national integration and security As
Estonia is one of the frontline EU accession countries and is queuing for membership of NATO the book raises broad
questions of post Soviet geopolitics in the Baltic region and across Europe Indeed Pami Aalto argues that small states such as
Estonia should be understood as active participants in post Soviet and European geopolitics and not simply pawns in a
superpower environment **Current literature of the month** ,1923 **Research in Education** ,1971 **The Human
Mosaic** Terry G. Jordan-Bychkov,2005-08-19 Carrying forward the legacy of original author Terry Jordan Bychkov Mona
Domosh and new coauthors Roderick Neumann and Patricia Price offer this thoroughly updated new edition of the acclaimed
introduction to the cultural geography of the world today The result is a text that maintains its original distinctive style while
addressing contemporary issues and situations that students care about most importantly the continuing phenomenon of
globalization The Thematic Approach of The Human Mosaic The Human Mosaic introduces five themes in the opening
chapter culture region cultural diffusion cultural ecology cultural interaction and cultural landscape then uses those themes
as a framework for the topical chapters that follow Each theme is applied to a variety of geographical topics demography
agriculture the city religion language ethnicity politics industry folk and popular culture Through this organization students
are able to relate to the most important aspects of cultural geography at every point in the text *Human Heritage* Miriam
