Machnik, 2021-03-25 What if the literary form of the Bible derived its pattern from the elementary process of creation Is there an underlying symbolic form to the book The Tree of Life is an analysis of this form and compares it to the operations of the intellect These operations are the process by which we come to know what is It also corresponds to the metaphysical elements which are the core of our being What becomes evident is that there is a form to human consciousness **The Tree of Life** Witness Lee, 2016-03-01 When God created man He placed him before two trees the tree of the knowledge of good and evil and the tree of life In warning man to avoid the tree of the knowledge of good and evil God indicated His desire for man to eat of the tree of life signifying that man should receive God as his life supply Witness Lee unveils in The Tree of Life that God is not looking for well behaved Christians He is looking for those who will experience and enjoy Christ as the reality of the tree of life *The Collected Works of Witness Lee, 1966, volume 1* Witness Lee, The Collected Works of Witness Lee 1966 volume 1 contains messages and fellowship given by Brother Witness Lee from January through August 1966 For the first three months of the year Brother Lee remained in Los Angeles except for a brief visit to San Francisco in late February From the end of March through the middle of April he visited Mineral Wells Waco Tyler and Plainview Texas From Texas he proceeded to Albuquerque New Mexico and then he returned to San Francisco at the end of April He spent the month of May in Los Angeles From mid June to mid July he visited a number of cities in the Midwest including Indianapolis Indiana Mansfield and Warren Ohio East Peoria Illinois and Pittsburgh Pennsylvania The only record of his visit to these cities consists of four messages given in Warren Ohio In the middle of July Brother Lee returned to Los Angeles and remained there through the end of September The contents of this volume are divided into twelve sections as follows 1 Eight messages given in Los Angeles California from January 30 through March 20 These messages are included in this volume under the title Miscellaneous Lord s Day Meetings in Los Angeles 2 Four messages given in Los Angeles California from February 4 through March 18 These messages are included in this volume under the title Messages on Matthew 3 Four messages given in Los Angeles California from February 17 through 20 These messages have been previously published under the title Christ Our Portion 4 Four messages given in San Francisco California on February 22 through 25 These messages are included in this volume under the title The Lord s Recovery of the Church 5 Five messages given in San Francisco California from April 29 through May 1 These messages are included in this volume under the title Enjoying Christ as Our Feast to Be His Fruit bearing Branches 6 One message given in Tyler Texas on April 10 This message is published in this volume under the title Exercising Our Spirit in Our Daily Life for the Meeting Life 7 Four messages given in Plainview Texas on April 15 through 18 They were previously published in The Stream volume 4 number 4 November 1966 under the title God s High Calling 8
