The Christmas Market Linda McEvoy,2024-09-26 Magical quirky and romantic Catherine Tinley You won t be able to put it down Sharon Black Jas saw the light when her ex dumped her treasured vintage fabric all over the street She s back in her home town with a plan to launch her hat making business at the Christmas market in the beautiful Georgian square But the Ballyclane she returns to is not the one she left nine years ago Her mother has a new man and Jas s old room is a walk in wardrobe now Her beloved gran has died and the house Jas hoped to work from is a bonanza for property developers instead And no one is organising the Christmas market There s just enough time to manage that and keep her business plan on track She certainly doesn t have time for Niall the smoky eyed posh boy builder hell bent on breaking her heart With a best friend hiding a secret a childhood nemesis determined to take her down and a beautiful French angel enchanting everybody Jas struggles to get a grip on what s real Still she might find everything she needs at the market this Christmas if she can let herself truly believe Manage Your Stress Dr. Uchenna Egodi Ajake (nee Agba),2017-11-28 The natural role of the present day man is anxiety The story of stress is as old as humanity Life itself centers on stress and how to conquer it The word stress cuts across all disciplines In physics and engineering it connotes load in biology it produces elasticity in physiology stress could be positive or negative producing abnormal limit higher or lower from the normal and in pathology it could lead to organ failure In view of the numerous consequences of stress which could lead to diseases and emotional or mental disorders makes this book manage your stress a practical approach a must read material There is therefore a crucial need to enlighten and educate everyone with this basic simple to read and practical approach to managing stress It should be noted that everyone encounters stress but the response to stress varies from person to person and from occupation to occupation The author as an educationist has taken steps to elaborate on basic issues in stress and how to manage it Most exciting to me are the quotations concerning stress and the nutritional value of
