Juvenile Justice and Delinquency Marilyn D. McShane,Michael Cavanaugh,2015-11-10 This book provides a comprehensive cutting edge look at the problems that impact the way we conduct intervention and treatment for youth in crisis today an indispensable resource for practitioners students researchers policymakers and faculty working in the area of juvenile justice Understanding Juvenile Justice and Delinquency provides a concise overview of the most compelling issues in juvenile delinquency today It covers not only the range of offenses but also the offenders themselves as well as those impacted by crime and delinquency All of the chapters contain up to date research laws and data that accurately frame discussions on youth violence detention and treatment related issues such as gangs and drugs the consequences for scholars teachers and students and best practices in intervention methods The book s organization guides readers logically from the broader definitions and parameters of the study of juveniles to the more specific The volume leads with an explanation of the relationship between victimization and juvenile behavior and sets up boundaries of the arenas of delinquency from the family to the streets to cyberspace The book then focuses on more specific populations of offenders and offenses including recent emerging issues offering the most accurate information available and cutting edge insight into the issues that affect youth in custody and in our communities **Challenges of Contemporary Policing** Vicente Riccio,Di Jia,Dilip K. Das,2024-10-02

This edited collection reflects contemporary challenges faced by police forces across the globe and the role of technology in addressing them The use of science and technology raises questions about ethics training the well being of people and freedom New technologies promise to foster police practices based on intelligence accuracy and preparedness and are considered necessary to overcome challenges such as declining budgets lack of personnel and legitimacy However technologies can also be used for authoritarian and nefarious purposes For those reasons this book aims to discuss related topics from various contexts to establish connections among common problems in the field of policing across the globe This book provides an internationally relevant assessment of the use of technology in the field of policing as well as the impact on training and police well being It is ideal for an academic audience at both graduate and undergraduate levels in the fields of criminal justice studies police studies legal sociology and public policy and will be of interest to police practitioners legal

professionals social service workers and public sector managers **Federal Register** ,1996-05-09 Teaching Justice
Kristi Holsinger,2016-04-01 Teaching Justice explores the role that teaching and learning in higher education can play in solving problems of social injustice Examining a range of approaches to education it considers the challenges that exist in teaching about justice drawing on extensive empirical data gathered amongst college lecturers and professors as well as the author s own experience With an analysis of the strategies commonly used this book will shed light on the manner in which students can be engaged in activism and concerned with issues of social injustice By overcoming apathy and engaging students with social problems education can thus address matters of injustice and begin to effect change Presenting extensive international research and insightful analyses Teaching Justice reveals the classroom and the lecture theatre to be important sites in the pursuit of social justice and will appeal to teachers and researchers with interests in social problems education and educational methods and criminal justice as well as community engagement and service learning outside the classroom NIJ Program Plan National Institute of Justice (U.S.),1995 Write Here: Developing Writing Skills in a Media-Driven World Randi Brummett de Leon,Brooke Hughes,2020-04-30 Write Here is designed to teach students essential reading and writing skills using media examples to help explain academic concepts and provide opportunities for practice It is adaptable because it covers the basics of reading writing and the modes of writing it is appropriate to use in developmental composition classrooms However it also covers such topics as logical fallacies rhetoric timed writing academic writing source integration and MLA APA documentation making it appropriate for a first year or stretch composition course Many beginning writing students are underprepared and feel that writing just isn t for them The authors hope to dispel that myth by using media examples and a conversational tone to introduce and teach the material Write Here provides examples that are interesting to students while allowing them to connect to the subject matter on a more personal level additionally the process of analyzing the media helps students sharpen their reading writing and critical thinking skills Public Sector Criminological Research Russell G. Smith,2023-07-24 This book explores the role and development of criminological research in the public sector during the last half century It identifies the benefits such research has provided and assesses whether the community has received value for the funds expended The Australian Institute of Criminology is used as a case study to illustrate the challenges and pressures facing those who have sought to carry out independent crime and justice research in the public sector to assess what fifty years of work has achieved and to determine whether or not there remains a need for criminologists to be employed by governments The book is based on extensive archival research administrative data analysis interviews with current and previous staff and the perspectives of scholars in comparable institutions globally It presents new historical information as well as current and future critical perspectives on crime and justice research in a unique Australian government organization
