

My Love for you

My promise to you is that I will give you the best things in the world, spare my best time to be with you and share my whole life with you. In return, all I need is your love and you to stick with me thru everything that life throws at is. When I think of you, I feel like I found someone who reallys cares about me and would really do w.e to make me happy. My love for you is sweeter than honey and I will always be there for you no matter the situation. What more can I ask for than having a better partber like you in my life nd with the best lady in the world. I have no idea how life would be without you rn. You are the only one who can fill the emptiness in my heart. I am thankful that I have you as part of my life. I love you.

There are over one billion people in the world. However out of all those, I have only chosen one person who I can love, laugh, be serious with nd protect and even stand up for. The reason why I chose you is not because you were the best choice from many but because you were the only one in a billion. I will always love you.

The one of the reasons on why I said all that cute stuff with you was because you are the most beautiful girl that I have ever seen. But now the reason why I love you is that you have the most charming heart that I have ever seen. You are the one and only person that I will ever give a f'ck about. Before meeting you i was literally going down hill rapidly more nd more. But. When I got into this friendship with you, I now met a girl thats strong, caring, beautiful, funny, short and aint afraid to be themselves.

The only time when I started knowing that I was starting to love my you is when I stopped seeing your pretty face nd didn't know what could stop I, my heart, my life, my
