

Learning Walk

When carrying out a learning walk, spend time both indoors and outdoors, as it is just as important to monitor and evaluate the outdoor provision. Observe how practitioners interact with children and how they respond. The questions below will give pointers of what to look for.

•	Is the environment bright and welcoming and stimulating for children?
•	Are activities challenging and appropriate for the children's stage of development?
•	Is there evidence of children displaying the characteristics of effective learning?
•	Are practitioners scaffolding and extending children's learning?
•	Are children engaged in activities?
•	What activities and resources are on offer for the children? Do these cover all areas of the EYFS?
•	Are open ended questions used?
•	Are children given time to explore their surroundings and interests without disruption?
•	Is there evidence of the British Values being promoted within the environment?
•	Are children encouraged to be independent eg are resources accessible for children to make choices?
•	Are there defined areas within the room eg home corner, book corner etc ?
•	Are there adequate amount of resources available in each area for children to explore?
•	Is children's work displayed on the walls?
•	Is there an effective key person system in place?
