Pro Family Voter Guide

William R. Stevenson

Pro Family Voter Guide:

Political Agendas for Education Joel Spring, 2014-03-26 The Fifth Edition of Joel Spring's ongoing documentation and analysis of political agendas for education reflects the major political issues in education since 2008. This edition focuses on the education sections of the 2012 Republican, Democratic, Green, and Libertarian Party platforms. Taking a fresh look at the social and political forces, educational research, and ideologies shaping the educational agendas of these political parties and a comparative approach, the book stimulates reflection and discussion. New coverage in the Fifth Edition includes: The political coup called Race to the Top; Common Core State Standards and national testing based on the Standards; Explosion of online instruction; Debates about teacher evaluations and merit pay; Growing for-profit education industry; New agenda for American Education; Constitutional amendment; long life and happiness; environmental education. **Political Agendas for Education** is essential reading for courses dealing with the politics of education, foundations of education, educational leadership, and curriculum studies, and for educational scholars, professionals, policymakers, and all those concerned with the politics of education in the U.S. and its consequences for schools and society.

Christian Political Activism at the Crossroads William R. Stevenson, 1994 This volume illumines the discussion being carried on between the religious right with its concern for moral responsibility in politics and the issue-oriented activists who are concerned with how Christians in America address human rights and hunger issues. By bringing together both Christian scholars and activists from nearly all points of the political continuum, this book offers a rare glimpse into the reality of Christian diversity on the political task. The media often suggests a monist interpretation of Christian politics. This book shows both the vitality and plurality of Christian politics in America. The book covers the historical background, activist perspectives, organizational structures, and participant characteristics with essays by Frank Roberts, David O'Brien, Ruth Tucker, James Reichley, Delton Franz, Betty Coats, Lucille Taylor, Bruce Buursma, Robert Zwier, Allen Hertzke, James Guth, Lyman Kellstedt, Corwin Smidt, Stephen Monsma, and concludes with a suggestion of a new direction by James Skillen of the Association for Public Justice.

God at the Grassroots 2016 Mark J. Rozell, Clyde Wilcox, 2017-11-02 In *God at the Grassroots 2016*, The Christian Right in American Politics, a distinguished group of political scientists, many of whom have been studying the Christian Right for more than two decades, assess the 2016 elections from the standpoint of religious conservative activism. These elections more than any that they have analyzed best tell the story of the resilience of this movement and its enduring importance. The contributors address the evolution of the religious right movement for more than two decades and focus primarily on the movement's role in the 2016 elections. The first section examines the broader national context with chapters on the Republican nomination campaign, the general election, and the relationship between the religious right and the tea party. The second section comprises state-specific chapters focusing primarily on the crucial states in the 2016 presidential contest. They conclude with lessons learned from the studies of the religious right in the elections from 1994 through 2016 and address directions for

continued research on the subject Contributions by Joseph Cella Kimberly H Conger Matthew Corrigan Paul A Djupe Christopher P Gilbert James L Guth Donna R Hoffman Ted G Jelen Alexander Jensen Christopher W Larimer Mikael Pelz Sucheta Pyakuryal Carin Robinson Mark J Rozell Corwin E Smidt Oran P Smith Kenneth D Wald Clyde Wilcox and Abigail Zofchak

The Politics of American Education Joel Spring, 2011-01-12 Turning his distinctive analytical lens to the politics of American education Joel Spring looks at contemporary educational policy issues from theoretical practical and historical perspectives This comprehensive overview documents and explains who influences educational policy and how bringing to life the realities of schooling in the 21st century and revealing the ongoing ideological struggles at play Coverage includes the influence of global organizations on American school policies and the impact of emerging open source and other forms of electronic textbooks Thought provoking lucid original in its conceptual framework and rich with engaging examples from the real world this text is timely and useful for understanding the big picture and the micro level intricacies of the multiple forces at work in controlling U S public schools It is the text of choice for any course that covers or addresses the politics of American education Companion Website The interactive Companion Website accompanying this text includes relevant data public domain documents YouTube links and links to websites representing political organizations and interest groups involved in education

Queer in America Michelangelo Signorile, 2003 The author exposes the hypocrisy and prejudice that pervade mainstream American institutions Includes a critique of present day America and its attitude toward gays and lesbians

So Help Me God Katrin Erdmann, 2006 In the wake of the Presidency of George W Bush the discussion about the separation of church and state has gained momentum Where does the coveting of the Religious Right by the Bush Administration fit into this picture What role do the attempted Gay Marriage Ban and the Compassionate Conservatism language play This book examines these questions and make a connection between the politics of Neo Conservatism and the social movement of the Religious Right

When Movements Anchor Parties Daniel Schlozman, 2015-09-01 Throughout American history some social movements such as organized labor and the Christian Right have forged influential alliances with political parties while others such as the antiwar movement have not When Movements Anchor Parties provides a bold new interpretation of American electoral history by examining five prominent movements and their relationships with political parties Taking readers from the Civil War to today Daniel Schlozman shows how two powerful alliances those of organized labor and Democrats in the New Deal and the Christian Right and Republicans since the 1970s have defined the basic priorities of parties and shaped the available alternatives in national politics He traces how they diverged sharply from three other major social movements that failed to establish a place inside political parties the abolitionists following the Civil War the Populists in the 1890s and the antiwar movement in the 1960s and 1970s Moving beyond a view of political parties simply as collections of groups vying for preeminence Schlozman explores how would be influencers gain influence or do not He reveals how movements join with parties only when the alliance is beneficial to parties and how alliance exacts a high

price from movements Their sweeping visions give way to compromise and partial victories Yet as Schlozman demonstrates it is well worth paying the price as movements reorient parties priorities Timely and compelling When Movements Anchor Parties demonstrates how alliances have transformed American political parties

Unfair Competition from the Public Sector in the Tourism Industry and Tourism-related Areas United States. Congress. House. Committee on Small Business. Subcommittee on Procurement, Taxation, and Tourism,1993

Dictionary of American Government and Politics Duncan Watts,2010-01-31 This Dictionary offers a fresh up to date look at US government and politics explaining and where necessary demystifying the key terms used in discussion of the political system Major figures events ideas movements and Supreme Court cases relevant to a study of the American political system are included with the aim of allowing readers to develop a deeper knowledge and understanding of the area The Dictionary also raises key issues and areas of contention and academic debate Coverage is comprehensive with c 400 entries each providing analysis of the subject Terms are presented in an A Z format with cross referencing where appropriate

The Rise and Fall of the Christian Coalition Joel D. Vaughan,2009-06-15 Christian Coalition experienced a meteoric rise in American politics in the 1990s only to see its profile and impact vanish into embarrassing irrelevancy at the end of the decade leaving many to ask Whatever happened to the Christian Coalition Joel Vaughan offers a behind the scenes look at the Christian Coalition once the pre eminent conservative grassroots political organization in America Working closely with founder Pat Robertson President Don Hodel and wunderkind Executive Director Ralph Reed the author reveals in a captivating manner the factors that caused the rapid growth of this astonishingly successful organization and the internal strife that led to its tragic and rapid decline Containing useful insights for leaders about organizational dynamics and grassroots movements of any kind The Rise and Fall of the Christian Coalition shows how people of faith can become more effective at making their voice heard in local state and national elections as well as many obstacles and ambitions to avoid Gilbert and Sullivan wrote a song about a young man who went to work for the British Admiralty and polished up the handles so carefully that he became ruler of Queen Victoria s Navy Joel Vaughan rose from volunteer to Deputy Field Director and ultimately to the dual positions of Assistant to the President and Director of Administration He brings an insider s intimate knowledge of the explosive growth and the ultimate crisis in leadership of Christian Coalition Full of behind the scenes anecdotes and revelations this book is a must read for every person interested in American politics who wants a better idea of the pro family movement and its foremost organization as well as those interested in the Do s and Don ts of running a nonprofit organization
