Recipe Layer Salad Easy:

101 Quick, Delicious Seven Layer Salad Recipes Ann Sullivan, 2017-05-11 Summer is right around the corner and one of the things I like best about this season is the ability to entertain friends and families out back by the pool. On those occasions I usually toss together a salad of some sort and place it in the center of the table. Do you have any new ideas or suggestions? 7 layer salads are some of my favorite dishes to prepare during the summer months. They are rather easy to assemble and can be kept fresh by surrounding them with ice. We don't have a pool on the homestead but we do entertain quite a few family and friends and these 7 layer salads always go over fairly well. Some of my favorite recipes in this book are the Mexican 7 Layer Salad, Deep Dish Layered Salad, Ellen's 7 Layer Salad, and Layered Vegetable Salad with Shrimp, just to name a few. If you entertain a lot of people during the summer months or need to feed a large family for a few bucks, then this is the recipe book for you. Bon Appetit Ann Sullivan
