Soap Making for Beginners Laura Garner, 2020-11-18 Are you looking for a method for crafting soap while at home Then keep reading There s no better way to understand something than to make it but without background knowledge you can sometimes feel a bit lost Which is why I can t teach you how to make soap without first answering the fundamental question What is soap Put simply when lye water is added to oils there is a chemical reaction called saponification Just as your

elementary school vinegar and baking soda volcano eruption demonstrated a chemical reaction when two ingredients came together to make something completely different the saponification process is a chemical reaction between fatty acids oils butters fats and sodium hydroxide lye that makes something new soap Recipes are developed with the goal of using all the lye during saponification so that no lye remains in the final soap product The benefits of from scratch soap Before you dive into any new project it s helpful to understand the benefits of what the project will provide When it comes to soapmaking there are huge benefits to making your own from scratch This is the most important benefit for me and my family When you make your own soap from scratch you know exactly what is going into it You make the decisions on what is healthy for your skin and for the skin of those you love No processing procedure or ingredients ingredients that the government determines to be generally recognized as safe and thus do not need to be listed on a label are getting into your soap because you are in full control If you want to be healthy buying premade organic and premium products can become really expensive When you make your own there is an initial cost to the ingredients but once you have them on hand you can make enough soap for family and friends and still have ingredients left over to make lotions lip balms and other bath and body products One of the reasons I started my company simple life mom was because I wanted to learn how to make more of what we use on a daily basis I value being able to have the choice to buy or make my own products Soap shampoo bars shaving bars laundry bars these are all things that we use on an almost daily basis and that we can create ourselves There is something very exciting about making a beautiful batch of soap with your own hands It ll get you hooked in a good way My first batches were made with makeshift molds and the results were funky shapes and sizes I still couldn t have been prouder I was like a little girl making her first batch of cookies I still feel the same way today Learning a marketable skill Many people today are searching for pure and natural bath and body products Who knows You could end up starting a very successful home business just as I did This book covers the following Understanding soapmaking Essential equipment and ingredients for making homemade natural soaps Step by step process with recipes Soap recipes How to wrap and preserve soaps How to decorate your soap bars Deciding to sell AND MORE
