Desaulniers, 1992-01-15 See *Ye Ole Thinker Manual* Rebecca Wiebe, 2012-11-23 *Ye Ole Thinker Manual* may help you live longer, improve your sex life, make you more independent, give you power and happiness, put self-respect, success and truth back into your life, give you irreplaceable knowledge and tell you what's for supper. As a matter of fact, no matter what you want or need, you're more likely to get it if you're healthy. All Thinker lives are driven by the condition of their model. You cannot imagine what a powerful determinant health is until you lose it. You may feel daring, carefree or even angry when you say I don't care if what I eat is unhealthy. I have to die from something anyway. Are you willing to run around to the other side of that thought and look at it from a different angle? All Thinkers are destined to die at some point. But why spend the rest of your short life destroying the vehicle in which you travel? Healing is not rare. It happens every day. It's a fact that you create your own health or lack of it every day. Because we Thinkers, despite our delusions of grandeur, are vessels full of nothing but water, electricity, math, chemistry and bugs. You feel the way you feel because of them. Fortunately, you can control your water, electricity, math, chemistry and bugs by what you eat, drink, breathe and think. If you want to make your life better in any way, eat, drink, breathe and think in better ways. Maybe you don't need to be afraid of what's going on inside of your model any more. Maybe it's time you peeked behind your walls of misconceptions, ignorance and stubbornness. Maybe it isn't really cute, popular or smart to ignore the incredible machine that allows you to live. Maybe it's time to grow up and stop pleasuring yourself to death with food. Maybe it's time to change your deadly thoughts and habits. Maybe your young will thrive and excel when they are fed only nutrient dense foods. Maybe the magic of food will work for you. *Ye Ole Thinker Manual*
