Reclaiming Christianity A.W. Tozer, 2009-05-01 Does the church use words that have lost their meaning Are there Christian words and phrases that have lost their power to convict the human spirit and bring transformation to the world One of the twentieth century s most renowned prophetic thinkers A W Tozer saw a dangerous trend gaining momentum even before his death a trend that has become commonplace now in the twenty first century In this never before published book Tozer sounds his alarm for the modern church We must stop parroting words carelessly and instead allow the meaning that these words convey to empower shape and direct the work of the church Yet Reclaiming Christianity is not just a warning it is a spiritual guidebook for reconnecting to the deepest meaning of Christianity s sacred messages **Reclaiming**

Tozer, 2010-10-26 Teachings from the Gospel of John Many Christians are familiar with the prophetic voice of Tozer but few living today were blessed to sit under his weekly teaching from the pulpit The Gospel of John was Tozers favorite book of the Bible and the focus of these writings adapted from sermons given to his parishioners is the Incarnation and what it means for believers lives Christ came down to earth in order to lift men and women up into the heaven lies No other New Testament writer not even the amazing apostle Paul presents Christ with a passion equal to Johns the Beloved Tozer captures the spirit of John and presents his winsome and enthralling portrait of Christ challenging readers to discover a fresh and overwhelming desire for Him Readers will be captivated anew by the One we call Lord Available Fall 2009 *Experiencing the Presence of*

God A.W. Tozer, 2010-08-25 True and absolute freedom is only found in the presence of God A W Tozer Deep in the soul of every person on earth is a longing for the presence of God But how do we get there Experiencing the Presence of God is a never before published collection of teachings from A W Tozer on the book of Hebrews that shows us the way Tozer the renowned pastor and theologian challenges our status quo invites us to explore a fresh understanding of what it means to dwell in God s presence and leads us to experience the divine fulfillment for which we were created As Tozer says We should come to church not anticipating entertainment but expecting the high and holy manifestation of God s presence Worship is not some performance we do but a presence we experience Come alongside Tozer and enter into God s presence right now

The Dangers of a Shallow Faith A. W. Tozer, 2012-05-17 Spiritual lethargy is one of the greatest dangers to confront a believer in his or her day to day walk with God A W Tozer said There are only three directions from which danger comes to the Christian life They are the world through which we journey the god of this world and our own mortified flesh In this never before published book the renowned teacher issues a clarion call for all Christians to awaken to the times in which we live and stand boldly against spiritual and moral slumber Tozer s focus is on those few believers who will heed the call to arouse themselves rise up in the face of the great temptation to malaise that is before us believing that God always begins with one or two who hear and heed His voice and refuse to become weary in their pursuit of Him Faith, Hope, and Love in the Kingdom of God Robert Hernan Cubillos, 2017-04-27 We live in a world full of challenges The three graces can almost be seen as motors for Christian life in today s world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate Modern life also leaves many yearning for authenticity and meaning Many religions have answered that need by calling to mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre *A Collection of Thoughts Volume 1* RICKY J. NUTT, 2011-11-17 We were made with a wonderful and mysterious capacity for love As such our spiritual exercises are meaningless unless we realize that like all created things we were fashioned for a particular purpose Within these pages each curious heart will be taken on a journey of spirituality and each

hopeful and humble seeker will be encouraged to contemplate thoughtfully The Mystery of Love Humans are spiritual creatures who can only be satisfied by a spiritual love and in God we ll find all the love that we need *My Daily Pursuit* A.W. Ulmer,2011-09-01 If you are doing all of the talking it is likely that you will not hear what others have to say let alone gain from their counsel insight and wisdom if this is true with humans isn t it even more so with God It is difficult sometimes in our era of financial collapse ongoing war and increasing alienation from each other to feel confident that the Almighty takes a personal interest in our lives *Knowing God s Voice* is the assurance so many people are waiting for God is interested He has a lot to say Readers will learn to discern God s voice from the background noise of internal anxiety and external circumstances and to trust His guidance and revelation even in trying times God is speaking to His people if only they will have ears to hear **The False White Gospel** Jim Wallis,2024-04-02 NOW A NEW YORK TIMES AND A USA TODAY BESTSELLER Everyone who claims to be Christian or else claims to be upset

by Christianity needs to read this book especially politicians using people's supposed faith for their own ends Margaret E Atwood Jim Wallis calls the nation to grow up and he calls us all to fight the love battle to save the soul of America From the Foreword by Eddie S Glaude Jr A major new work by the New York Times bestselling author arguing that the answer to bad religion is true faith that will help refound democracy It is time says Jim Wallis to call out genuine faith specifically the Christian in White Christian Nationalism inviting all who can be persuaded to reject and help dismantle a false gospel that propagates white supremacy and autocracy We need to raise up the faith of all of us and help those who are oblivious stuck and captive to the ideology and idolatry of White Christian Nationalism that is leading us to such great danger Wallis turns our attention to six iconic texts at the heart of what genuine biblical faith means and what Jesus in the gospels has called us to do It is time to ask anew do we believe these teachings or not This book isn't only for Christians but for all faith traditions and even those with no faith at all When we see a civic promotion of fear hate and violence for the trajectory of our politics we need a civic faith of love healing and hope to defeat it And that must involve all of us religious or not Learning to practice a politics of neighbor love will be central to the future of democracy in America And more than ever the words of Jesus ring You will know the truth and the truth will set you free Just Faith Guthrie Graves-Fitzsimmons, 2020-09-15 According to new research from the Public Religion Research Institute there are over 35 million consistently progressive Christians in the United States Majorities of American Christians support reproductive justice and LGBTQ rights Yet they're erased from our public narrative only mentioned as outliers to the fundamentalist norm In Just Faith progressive Christian activist and writer Guthrie Graves Fitzsimmons explains how a strong religious left has accompanied every major progressive advance in our society and he resurrects the long but forgotten history of progressive Christianity in the United States that can and must link arms with progressive Muslims and Jews to make the moral case for pluralism human dignity and the common good Graves Fitzsimmons provides a blueprint for this type of resurrection based on his advocacy work at the intersection of religion and American politics Graves Fitzsimmons creates a rallying cry for a bold progressive Christianity that unapologetically fights for its values to impact the biggest political battles of our time from immigration and economic fairness to LGBTQ rights and abortion rights so that progressive Christians will stop lowering their voices when they identify as Christians What kind of Christian are you they'll be asked And they'll even be understood when they reply with a smile The good kind **Combat Mindset** Matei Florin, 2024-07-04 In today's unpredictable and often dangerous world the ability to protect oneself and others is invaluable Developing a combat mindset is essential for those who wish to face potential threats with confidence and decisiveness This book aims to provide you with the comprehensive knowledge techniques and exercises needed to cultivate a mindset prepared for combat Whether you are a member of the military law enforcement a martial artist or a civilian concerned with personal safety this book will guide you through the process of developing a superior combat mindset The Dual Approach to Mental Fortitude This book explores two complementary paths to building a robust

Reclaiming Our Forgotten Heritage Curt Landry, 2019-01-15 A timely and groundbreaking take on the roots of the Christian church and its place in the entirety of God's kingdom There is no better time than now to learn about and become firmly grounded within your spiritual heritage from the foreword by Perry Stone The early church was made up of Jewish and Gentile followers of Jesus and the church's culture was rooted in Judaism and a Jewish understanding of God's relationship to His people Over time however Christianity became increasingly more Roman than Jewish and the church lost its identity Rabbi Curt Landry's personal story is remarkably similar Born to a Jewish mother and a Catholic father Landry was put up for adoption and for more than thirty years he had no understanding of his heritage his roots or who his parents were But when he discovered the truth of his story his life changed completely The key to a life of power and purpose is understanding who you are In this revelatory book Curt Landry helps Christians

discover their roots in Judaism empowering them to walk in the revelation of who they really are and who they are born to be Reclaiming Our Forgotten Heritage reveals the mysteries of the church letting Christians grasp the power that comes from connecting with their true identity *Baptizing America* Brian Kaylor ,Beau Underwood,2024-06-04 In the face of a rising threat to both church and democracy Baptizing America provides an urgent examination and an enlightening critique exposing the dangerous undercurrents of Christian Nationalism How can Mainline Protestants spot such practices in their own activities A crucial call to reckon with influences before it s too late Christian Nationalism presents an existential threat to both Christ s church and American democracy Now is the time before it is too late to reckon with all the places its pernicious influence arises On full display in recent elections Christian Nationalism also exists in sanctuaries where an American flag has been displayed for decades when we pledge allegiance to one nation Under God or when the U S is called a Christian nation Baptizing America critiques the concept of civil religion arguing that such expressions are far more dangerous than we realize Mainline Protestant congregations will likely recognize themselves in the overlooked expressions of Christian Nationalism that pop up in the activities of both church and state **Authentic Christianity and the Dangers of Christian Nationalism** Daniel Payne,2024-07-13 The book explores the concept that true Christianity and Christian Nationalist movements are fundamentally at odds with each other It delves into the idea that the values and principles of authentic Christianity such as love compassion and inclusivity are in direct conflict with the exclusionary and divisive nature of Christian Nationalism The author examines how the rise of Christian Nationalism has distorted the teachings of Jesus and has been used to justify discrimination prejudice and violence The book also discusses the impact of Christian Nationalism on politics society and the religious landscape and offers insights into how individuals and communities can work towards promoting a more genuine expression of Christian faith It explores how the values and teachings of Christianity such as love compassion and inclusion are at odds with the exclusionary and divisive nature of Christian Nationalism The essays in this collection analyze the ways in which Christian Nationalism distorts the message of Christianity and promotes harmful ideologies that go against the core principles of the faith Through thoughtful analysis and compelling arguments the book aims to challenge and debunk the notion that Christian Nationalism is a natural extension of authentic Christianity The Church and The Hate: Reclaiming the Gospel from Division, Extremism, and Misuse Christian Light,2025-10-14 In today s world the message of Jesus can feel overshadowed by confusion conflict and division For many faith has become difficult to recognize through the noise of debates headlines and culture wars The Church and The Hate is a thoughtful faith based guide for Christians who long to return to the heart of the Gospel one rooted in love truth mercy and service Inspired in part by the public conversations surrounding books like Separation of Church and Hate by John Fugelsang this work approaches the same concerns from a spiritual and biblical foundation Author Christian Light speaks not to critique but to call believers back to a Christ centered way of living and engaging with the world Inside this book you will discover How to read and apply

Scripture with wisdom context and grace Practical guidance on navigating important topics with love and clarity Tools for responding to division without fear or judgment Encouragement for living your faith with integrity in everyday life From serving your local community to building bridges in your family and church this book helps readers apply timeless truths to modern challenges Whether you re a committed Christian a new believer or someone exploring faith again after disappointment The Church and The Hate offers a message of hope and spiritual renewal This book is not about pointing fingers it s about pointing hearts back to Jesus The Gospel was never meant to divide us It was meant to change us And that change always begins with love

Hearers and Doers Kevin J. Vanhoozer, 2019-05-15 The foundation of discipleship is sound scriptural doctrine The value of sound doctrine is often misunderstood by the modern church While it can be dry and dull when it flows from the story of Scripture it can be full of life and love This kind of doctrine steeped in Scripture is critical for disciple making And it s often overlooked by modern pastors In Hearers and Doers Kevin Vanhoozer makes the case that pastors as pastor theologians ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples scriptural doctrine is vital to the life of the church and local pastor theologians should be the ones delivering it to their communities With arresting prose and striking metaphors Vanhoozer addresses the most pressing problems in the modern church with one answer teach sound scriptural doctrine to make disciples
