The Complete Layman's Guide To End Times Prophecy A Biblical Perspective Robert R. Ramirez, 2011-11 Have you looked around at the world and felt as though everything was falling apart America is struggling economically and no one has any answers Unemployment has been over 9% for over two years now It feels like the government is trying to take control of our lives There is speculation that Greece might collapse economically and if they do other European countries will follow suit The

Middle East is in total chaos and very unstable with all these people rioting in the streets and wreaking havoc on their respective countries along with dictators falling and rising from power Iran is still telling everyone they are intent on annihilating Israel as they improve their nuclear capabilities As Christians our hope is in Jesus Christ we know that our God is sovereign so all the chaos in the world has no effect on how God brings the world to an end But the end is in sight and people are looking for something certain in this world There are so many questions Christians have regarding End Times Prophecy and do not understand simply because the church has not fulfilled its purpose in rightly dividing the Word of truth for the saints The Complete Layman s Guide to End Times Prophecy will bring together all the questions one might have regarding the end of the world and the return of the Warrior King Jesus Christ to this earth to set up His millennial kingdom This book is clear concise and cogent in its message and attempts to address all End Times Prophecy questions Doctor Robert Ramirez B A Political Science College of Santa Fe B A Pastoral Studies Moody Bible Institute MDiv The Master s Seminary DMin Trinity Southwest University Pastor Alive In Christ Bible Church President and Founder New Mexico Bible Institute Bookstore     *Making the Most of Digital Collections through Training and Outreach* Nick Tanzi,2015-11-10 This book offers a practical template for training patrons to use eBook streaming video online music and journal collections that is practical adaptable and most importantly sustainable In order to make your library s expanding digital collection worth having customers need to know how to access these online resources and it s up to your staff to show them how This unique guide explains how to use a device centered approach to training library patrons rather than a system centric approach that will enable staff to more easily assist patrons regardless of whether your patrons use Kindles tablets mobile phones or laptops Using this approach staff stay current and can prepare for the next technology or interface platform to access digital collections The book describes different patron instruction scenarios such as drop in one on one interactions tech petting zoos and classroom settings and explains how to structure and conduct specific sessions classes Readers will learn methods of promoting the digital collection that can be used in their entirety or a la carte depending on your budget and locality The final chapters address using social media print media and interactive displays best practices for target marketing aimed at both in house patrons and external customers and how you can save money when purchasing equipment     *Modeling Techniques in Predictive Analytics with Python and R* Thomas W.
