David Stoll, 2013 Debt is the hidden engine driving undocumented migration to the United States So argues David Stoll in this powerful chronicle of migrants moneylenders and swindlers in the Guatemalan highlands one of the locales that collectively are sending millions of Latin Americans north in search of higher wages As an anthropologist Stoll has witnessed the Ixil Mayas of Nebaj grow in numbers run out of land and struggle to find employment Aid agencies have provided microcredits to turn the Nebajenses into entrepreneurs but credit alone cannot boost productivity in crowded mountain valleys which is why many recipients have invested the loans in smuggling themselves to the United States Back home their remittances have inflated the price of land so high that only migrants can afford to buy it Thus more Nebajenses have felt obliged to borrow the large sums needed to go north So many have done so that even before the Great Recession hit the U S in 2008 many were unable to find enough work to pay back their loans triggering a financial crash back home Now migrants and their families are losing the land and homes they have pledged as collateral Chain migration moneylending and large families Stoll proposes have turned into pyramid schemes in which the poor transfer risk and loss to their near and dear      **The Nation and Athenæum**, 1929      **The Nation and the Athenæum**, 1929      **The Believer**, 2007      **Bulletin of the Atomic Scientists**, 1967-03 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world      *The Saturday Review of Politics, Literature, Science, Art, and Finance*, 1927      **THE INDIAN LISTENER** All India Radio (AIR), New Delhi, 1939-05-07 The Indian Listener fortnightly programme journal of AIR in English published by The Indian State Broadcasting Service Bombay started on 22 december 1935 and was the successor to the Indian Radio Times in english which was published beginning in July 16 of 1927 From 22 August 1937 onwards it was published by All India Radio New Delhi In 1950 it was turned into a weekly journal Later The Indian listener became Akashvani in January 5 1958 It was made
