Dyslexia in Higher Education Amanda T. Abbott-Jones,2021-11-04 People can best help dyslexic students once they understand dyslexia s association with anxiety and effective coping strategies both cognitively and emotionally By highlighting the perspectives of dyslexic students this book evidences the prevalence of anxiety in dyslexic communities The shared experience from a range of dyslexic learners pinpoints best practice models and helps combat the isolation felt by many with learning difficulties The author targets academic areas where students struggle offering techniques to overcome these barriers Such obstacles are not always due to cognitive factors but may be associated with negative experiences leading to fear and uncertainty Recounting these sticking points through student voices rather than from a staff viewpoint enables readers to find meaningful solutions to dyslexia related problems Through this dynamic methodology the book shows researchers and practitioners how to understand dyslexic needs on an emotional level while presenting dyslexic readers with practical coping methods

Cognitive and Emotional Study Strategies for Students with Dyslexia in Higher Education Amanda T. Abbott-Jones,2023-09-28 Amanda T Abbott Jones provides practical and motivational guidance for dyslexic learners in higher education It presents effective strategies appropriate for dealing with an array of study tasks including note taking essay writing reading exams etc while also delivering targeted emotional support Pragmatic methods are delivered from the voices of students with dyslexia who have first hand experience of fine tuning study techniques making learning suitable for how the dyslexic brain processes and memorises information to become successful in the academic world As such this book does not simply present strategies from an educational perspective but instead draws on the wealth of empirical knowledge from the source of dyslexia the dyslexic people themselves This gives readers a collective shared
