

# The Secret Life of Bees Dialectical Journal

The term "Dialectic" means "the art or practice of reasoning by the truth or logical consequences of opposing positions and claims." Some of your dialectical journals will be a series of conversations between yourself and the text as you explore each issue. The purpose is meant to help you develop a better understanding of the text as you read. The idea is that it is a better way to process and see the material, prepare yourself for class discussion, and learn better. I hope for your literary analysis assignments.

## Procedure

- In each chapter or section, you will need to find a quote that relates to the themes you chose to track throughout the novel, and record these quotes in the left column.
  - Possible themes to use: bees, the black man (magical), epiphany, the moon
- Then, you will need to answer the following questions about the quotes.
  - What is the context for each quote? What is happening in the novel when each quote is written?
  - What does the image represent?
  - What theme or lesson comes out of the quote?

"The way these bees flew, not even looking for a flower, just flying for the joy of the wings, just my heart about to beam." (2) - Cora Owens	In this quote, Elly is flying in her mind according to bees fly around her home. In context, this seems to be a small moment for her. She clearly feels positively towards the bees since she enjoys according to them at night. The theme of having their freedom, the way that they are able to just fly around with no specific goal or purpose the novel, but their freedom also seems to cause her some kind of euphoria and joy of "just being" happy. More specifically that Elly herself does not feel as free as the bees are but that she wants to be free like them.
