Secret Science And The Secret Space Program:

Inside the Secret Space Programs Herbert Dorsey, 2017-02-15 *Inside the Secret Space Programs* is a continuation of two previous works by the Author Herbert G Dorsey III *Secret Science and the Secret Space Program* and *The Covert Colonization of Our Solar System* The previous two books document the progress of antigravity propulsion from the German Vril Society and their Jensietsfugmaschine otherworld flying machine in 1923 and Thomas Townsend Brown's experiments with gravitators at about the same time to the present black projects inside companies like Lockheed Martin Northrup Grumman Boeing Aerospace and North American which create antigravity craft for the Air Force Navy and some private corporations like the secretive Interplanetary Corporate Conglomerate ICC As more information becomes available from persons like Corey Goode William Tompkins and Tony Rodrigues and others who worked in the secret space programs is revealed a better picture of what goes on inside these programs is made possible Sufficient new information has been revealed to warrant a new book on the subject And remarkably the new information not only to a large degree reinforces the information revealed in the previous two books but also adds important information on subjects like where these kilometers long space craft are being built on this planet and how is it being financed If you are interested in learning more about is really going on out in space the covert colonizing militarization manufacturing and mining of Mars other planets moons and asteroids in our Solar system and even in other star systems or you are curious about the technology used and how it works this would be an excellent book to study

Secret Science and the Secret Space Program Herbert G Dorsey, 2014-11-12 There are areas of science that are off limits to the public and are not taught in our universities The science and technology of anti gravity and extracting energy from space itself was developed in the late 19th and early 20th century by scientists and experimenters like John Worrell Keely Nicola Tesla and Thomas Townsend Brown But today this science is purposely overlooked and regulated to the world of Black Projects The publicly acknowledged space program is but a smoke screen to hide a secret space program overseen by NSA the CIA and a secret branch of the U N that is so secret that even some U S Presidents and Congressional oversight committees are not even aware of it *Secret Science and the Secret Space Program* will document and provide an in depth look at this secret science and technology and the secret space program that has already colonized Mars built bases on our Moon and other planet's moons and given us the ability to travel to the stars Black science is so far ahead of acknowledged science that this book will seem like science fiction to many who read it

Alien World Order Len Kasten, 2017-02-16 Shares new documents to expose the sinister alien influence in world
governments financial systems and scientific institutions throughout history Shows how Eisenhower s treaty with the Greys
signed at Holloman Air Force Base in 1954 gave the aliens authority to abduct humans for research Reveals how Reptilian
influenced ex Nazis infiltrated the U S government Explains how the Reptilians have created alien human hybrids under their
control to replace the human population Long ago the Galactic Federation sent the Atlans a fierce group of humans from the
Pleiades to Earth to confront the newest colony of the combative ever spreading alien race known as the Reptilians The
ensuing battle sank the continent of Lemuria and drove the Reptilians underground beneath the Indian subcontinent as well
as to Antarctica Able to shapeshift to appear human the Reptilians then infiltrated the Atlantean civilization abducting
humans and creating Reptilian hybrids As Len Kasten shows this technique of infiltration and hybridization prior to an all out
attack has been the hallmark of Reptilian conquest throughout the galaxy Chronicling the history of the Reptilian Empire s
influence on Earth and their conquest of 21 star systems Kasten reveals how the human race is enmeshed in a skillfully
concealed plot to enslave humanity and exploit our planet s physical and biological resources Revealing Hitler s pact with
extraterrestrials and the Reptilian influence on the Nazi state he shares new documents that disclose the rescue and

rehabilitation of Nazi war criminals to assist in the Cold War which then corrupted many U S government institutions Focusing on crucial events in the decade after World War II he examines the Reptilians human allies the Illuminati who control the levers of financial technological and military power throughout the world through various secret societies He shows how Eisenhower s treaty with the Greys signed at Holloman Air Force Base in 1954 gave the aliens permission to take humans up to their spaceships ostensibly for genetic study in return for alien technology and how these abductions led to the creation of a hybrid race under Reptilian mind control He also explains how Kennedy was assassinated by the CIA because of his plans to rout out this Nazi Reptilian presence Contrasting the Reptilians with the benevolent Ebens the aliens from Zeta Reticuli who crashed at Roswell Kasten exposes the stealthy tactics of the Reptilians their relationship with the Greys and their advanced genetic bio technology and teleportation abilities as well as what we need to do to defeat their plans
