The Secret and Its Price Marlene Carmen Nappa, 2012-07-05 The Secret and Its Price is a wonderful, vivid, and compassionate book which takes us on a journey into the secret world of incest. In its pages, Marlene Carmen Nappa takes a risk and shares how her experience impacted her family, her relationships, and ultimately her entire life. Her story helps the reader appreciate how our original wound may serve as a gateway to new possibilities and healing. This book is like no other book I've read in the way that it captures the triumph of walking through the pain and finding the courage to speak with vulnerability and openness.

Charlene Tosi, Founder of Woman Within Training, Author of Discover Your Woman Within. Hers is a story of perseverance and determination to get beyond the abuse and its effects, and it demonstrates that breaking the silence and posttraumatic growth are both possible. This book is a gift for other sexual abuse survivors looking for inspiration to heal.

Your Leo friend may not seek attention, maybe because he or she has a Capricorn ascendant. Your Sagittarius friend is very possessive, maybe because he or she has a Scorpio Ascendant. It is easy to understand why some people do not correspond to their Sun or Moon signs once you know about what is the rising sign or Ascendant in a horoscope. Ascendant is the degree of the zodiac sign that was highest on the Eastern horizon at the time and place of birth. When seen from Earth, the sky seems to move, so the entire zodiac can be observed in a span of 24 hours, day and night, which means the rising sign changes on the Eastern horizon every 2 hours because there are 12 zodiac signs. People tend to associate their physical, emotional, and spiritual attributes more with the rising sign at times.
