Healing in Suburban America Meredith B. McGuire, Debra Kantor, 1988 Many Americans believe that people who practice folk healing are uneducated and too poor to afford conventional medical care Contrary to this popular belief Meredith McGuire finds that a large number of college educated middle class suburbanites participate in a variety of nonmedical healing groups In suburban New Jersey people practice such diverse alternatives as psychic healing New Age therapies naturopathy Christian Science Transcendental Meditation reflexology acupuncture yoga Jain meditation Therapeutic Touch reflexology shiatsu rebirthing and occult therapies McGuire places these various healing groups into broader categories according to their traditional sources of inspiration and their beliefs about healing power She then looks at the participants diverse ideas about health and illness By locating alternative healing in the context of these beliefs she shows the many ways the adherents experience ritual healing From publisher s description **Routledge Library Editions: Sociology of Religion** Various, 2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains classic books on a wide range of topics including religion and violence religion and family life religion and society culture and class Médecine et religion populaires / Folk medicine and religion Pierre

Saliba, 2019-03-20 This book first published in 1990 brings together descriptive comparative and theoretical materials on cults and sects in Western culture focusing on literature published since 1970 A historical section links the rise of the new movements to similar past phenomena in Western culture Other sections examine the methodology of studying religious movements and the various theories which have been brought to explain them current studies on traditional sects that are sometimes compared to the new religions and many studies of individual contemporary cults Sectarian Healers and Hypnotherapy Ontario. Committee on the Healing Arts, 1973 **Sectarianism** Roy Wallis, 1975 One of the more

extraordinary trends to have emerged in the West in the 1970s and one that has created considerable interest and curiosity particularly among sociologists is the proliferation of new religious sects Their followers are often young people disenchanted with the drug culture but seeking a new spirituality in an intensely materialistic society Sectarianism is a collection of essays studying this development Edited by Roy Wallis Lecturer in Sociology at the University of Stirling it is written by leading

sociologists from Britain Canada and the USA and covers a wide range of sectarian movements in both the religious and the secular domains Included are case studies of The Aetherius Society a flying saucer cult the Hare Krishna movement the Jehovah s Witnesses and the United Family an investigation of societal reaction to Scientology and a fascinating study contrasting modern communitarian movements with the Shakers a once flourishing communitarian sect in the USA In the secular domain the book investigates organizations that though nonreligious exhibit characteristics of religious sects These include the Concept Houses one of the latest methods for rehabilitating drug addicts two contemporary left wing political groups and two ex patient therapeutic groups Neurotics Nomine and Recovery Inc Sectarianism will be indispensable to the sociologists of religion it should also prove of immense interest to the layman wishing to deepen his knowledge of this phenomenon beyond the superficial and often hysterical reporting in the press Publisher **Enquiry Into the Practice and Effects of Scientology** Sir John Galway Foster,1971 **California.
