- Jekyll's butler Poole visits Utterson one night after dinner. Deeply agitated, he says only that he believes there has been some "foul play" regarding Dr. Jekyll; he quickly brings Utterson to his master's residence. The night is dark and windy, and the streets are deserted, giving Utterson a premonition of disaster. When he reaches Jekyll's house, he finds the servants gathered fearfully in the main hall. Poole brings Utterson to the door of Jekyll's laboratory and calls inside, saying that Utterson has come for a visit. A strange voice responds, sounding nothing like that of Jekyll; the owner of the voice tells Poole that he can receive no visitors.

way forward for future discourse Topics addressed include the idea of silent music in the work of English philosopher Peter Sterry and Spanish Jesuit St John of the Cross the apparently paradoxical contemplation of silence through the medium of music by Messiaen and the relationship between silence and faith the aesthetics of Susan Sontag applied to Cage's idea of silence silence as a different means of understanding musical texture ways of thinking about silences in music produced during therapy sessions as a form of communication music and silence in film including the idea that music can function as silence and the function of silence in early chant Perhaps the most all pervasive theme of the book is that of silence and nothingness music and spirituality a theme that has appeared in writings on John Cage but not in a broader sense in scholarly writing The book reveals that unexpected concepts and ways of thinking emerge from looking at sound in relation to its antithesis encompassing not just Western art traditions but the relationship between music silence the human psyche and sociological trends ultimately providing deeper understanding of the elemental places both music and silence hold within world philosophies and fundamental states of being Silence Music Silent Music will appeal to those working in the fields of musicology psychology of religion gender studies aesthetics and philosophy
