Scratch comes a debut cookbook of easy and accessible family recipes the new bible for cooking with whole foods For Laurie McNamara growing up on a farm in the country had major perks her mother cooked with vegetables from the family garden they collected fresh eggs from the chicken coop and absolutely everything from ketchup to casseroles was made 100 percent from scratch with whole foods When McNamara moved away from home though she found herself too busy to prepare from scratch meals between working full time and raising two kids Like most Americans she relied on boxed brownie mix canned soup bottled dressings and frozen dinners to make home cooking quicker and cheaper But she soon learned that these so called shortcuts were in fact both more expensive and light years less healthy than simply making everything herself Eventually she'd had enough and vowed to remake her kitchen into a from scratch kitchen Now five years later McNamara

has helped hundreds of thousands of home cooks prepare from scratch meals with whole food ingredients through her blog Simply Scratch McNamara's highly anticipated debut cookbook Simply Scratch brings her home cooking know how to the nation with 120 wholesome tasty recipes along with stunning photography entertaining anecdotes and personal musings This book offers easy recipes for delectable concoctions such as Buckwheat Pancakes Veggie Pesto Pizza Creamy Roasted Tomato Soup and Fudgy Chocolate Toffee Topped Brownies Simply Scratch will be the must have bible to cooking beyond the box and can Featuring a down to earth approach and family recipes that use everyday ingredients Simply Scratch proves cooking from scratch can be affordable simple fun and of course absolutely delicious
