2021 Continuous Certification Program Self-Assessment Activity Result

NAME: Mele, Joseph

Congratulations! The American Board of Plastic Surgery, Inc. is pleased to inform you that you have successfully passed the 2021 Self-Assessment Activity, meeting the minimum passing score threshold in your chosen module.

Module completed:	COSMETIC
Total score (final response):	100%
Exam result status:	Successful

Your total test score provided above is the percentage of items you answered correctly on the final response. To adequately meet the requirement of knowledge assessment for the Continuous Certification program, you must receive passing scores on at least eight assessments or, for those with certificates expiring in 2022 through 2025, the maximum number of possible assessments during your 10-year certification cycle.

All items and responses have been reviewed for psychometric analysis to ensure accuracy and reliability. Each diplomate will receive a single final grade (successful or unsuccessful) for the single year's assessment. A diplomate's outcome is not dependent on performance relative to others' performances. A diplomate must achieve the criterion standard set by the Board in order to pass the assessment. The Self-Assessment's primary purpose is to serve as a formative learning assessment, and each diplomate is allowed up to two attempts per item with rationale provided after the first attempt. Scoring is based on the diplomate's final response.

Included with this Result Letter is a performance analysis based on your first response within the five content areas. This feedback is provided to help you identify strengths and weaknesses in your baseline knowledge of plastic surgery. Comparisons by topic to all diplomates who completed the same assessment module are also provided in the included performance report. If there are two or more specialty content areas with a deficiency in performance standards, then reinforcement questions will be required later in the year to address knowledge gaps and to stimulate learning. If your Exam result status is listed as "Successful –Reinforcement required", then the Board will communicate with you in July regarding the August reinforcement requirement.

Further information regarding Continuous Certification is available on the Board's website (www.abplasticsurgery.org). It is important that you notify the Board Office immediately of any change in your email or mailing address. This change can be updated through the Board's website on your physician profile.

Best wishes for continued success.

Sincerely,

A handwritten signature in black ink, appearing to read "Brandt".
