Song of the Season Thomas Hischak,2024-03-21 What links the popular songs You'll Never Walk Alone Send in the Clowns Memory and I Am What I Am They all originated in Broadway musicals Song of the Season is for those who believe that the score is at the heart of a musical and is the essential building block on which the rest of a show is built Through a systematic historical survey from 1891 to 2023 it argues that the best musicals survive because of their songs from early 20th century classics such as Show Boat and Oklahoma through to the contemporary sound of Dear Evan Hansen and Hamilton looking at outstanding songs from each Broadway season the development and history of the musical is illustrated with a fresh perspective As song styles and popular music tastes changed throughout the decades this structure charts the progress of American showtunes alongside popular music forms as songs evolved from the waltz and ragtime to jazz rock rap and hip hop Factual analysis and historical context combine to offer a rich picture of the American songbook from Irving Berlin to Elton John Song of the Season paints a fresh picture for musical theatre students and fans alike illustrating significant changes in the form through the music Analyzed in an accessible and engaging way that doesn't rely

on music theory knowledge and including a link to playlist where all the songs of the seasons can be listened to it is a must have for those looking to expand their knowledge of the form and trace the social history of the American showtune The Keyed Bugle Ralph Thomas Dudgeon,2004 This new edition of The Keyed Bugle is an expansion rather than a revision of the first edition The performance practice discussion has been extended to cater to the needs of the reader who wishes to learn the instrument All chapters contain new information and the chapters on Performers Makers and Sellers have been extensively expanded An additional chapter offers an explanation of the peculiarly distinct acoustics of keyed bugles and provides an analysis of construction styles employed by particular makers After closely researching instruments that have been documented by the signatures of specific firms and comparing them with unmarked examples the author enables readers to make confident observations on the nature of regional and manufacturer s styles The new research in this area provides the groundwork for informed speculation about the origins of undocumented keyed bugles This work puts the best of current research on the instrument into book form and provides the collector performer and serious music student with a clear picture of the instrument s history repertoire and technique **Catalog of Copyright Entries** Library of Congress. Copyright Office,1977 The Crow Tree Alan Kramer,2023-06-26 The Crow Tree is the first in the Magical Midland Forest series of contemporary novels for young adult readers It s set in a mysterious forest with talking animals and a secret passage to another time and in a tense and fractured American town next door The story is told by a ninth grader named Marcus He and his marching band friends usually stay to themselves But with loggers clear cutting the forest Marcus is losing his only place of refuge from his parents divorce and his struggles at school Now a new virus has appeared and the few Black students at Midland High are being blamed for it Marcus and his friends join forces with a pair of talking crows and a stranger from another time to try to save their friends the forest and the school A kind of cross between Stand by Me Stephen King and Lord of the Flies this coming of age novel is set against life in America today bullying racial tensions rising heat and polarized adults seen through the eyes of our young narrator Broadway Songs for Two Trumpets - Easy Instrumental Duets Hal Leonard Corp.,2018-01-01 Easy Instrumental Duets 22 showstoppers in easy duet arrangements for two instrumentalists are featured in this collection including Any Dream Will Do Bring Him Home Cabaret Edelweiss For Forever Hello Dolly I Believe Memory One Popular Seasons of Love Seventy Six Trombones Tomorrow Where Is Love You ve Got a Friend and more Arrangements work for two trumpets or can also be used with the other brass or woodwind titles from this series **Music in Print Master Composer Index** ,1999 **Music of the Postwar Era** Don Tyler,2007-11-30 At the end of WWII themes in music shifted from soldiers experiences at war to coming home marrying their sweethearts and returning to civilian life The music itself also shifted with crooners such as Bing Crosby and Frank Sinatra replacing the Big Bands of years past Country music jazz and gospel continued to evolve and rhythm and blues and the new rock and roll were also popular during this time Music is not created without being influenced by the political events and societal changes of its
