Fishery Information, Data, and Statistics Service,1981-01-01      **Annual Report of the Registrar-General of Births, Deaths, and Marriages in England** ,1867      Annual report of the registrar-general of births, deaths, and marriages in England. v. 28-29, 1865-66 ,1867      **Explosives Act, 1875. Annual Report of His Majesty's Inspectors of Explosives** Great Britain. Home Office,1898      **Sixty-fourth-Eighty-second Annual Report of the Registrar-general of Births, Deaths, and Marriages in England and Wales (1901-1919)** Great Britain. General Register Office,1867 Thirty third annual report abstracts for 1870 includes summary of marriages births and deaths registered in ten years 1861 70      *A Social Critique of Corporate Reporting* David Crowther,2016-03-16 In the critically acclaimed first edition of *A Social Critique of Corporate Reporting* David Crowther examined the perceived dialectic around traditional and environmental reporting to show it to be a false dialectic Corporate reporting continues to change rapidly to incorporate more detail and especially environmental and social information At the same time the mechanism for reporting has changed and the internet now enables more information to be provided to an ever wider range of stakeholders and interest groups The perceived conflict between financial performance representing the needs of investors and other dimensions of performance representing the needs of other stakeholders still however continues to exist In this updated edition this perceived conflict is re examined along with the wider purposes of corporate reporting These are examined in the context of web based reporting and a greater concern for all stakeholders The conclusion is that although recent developments have produced changes the essential conflict is still professed to exist but remains a largely imaginary one The analysis in this book makes use of both statistics and semiotics and in so doing develops a semiology of corporate reporting that offers an alternative to other research that is largely based on econometrics Researchers higher level students and others with an interest in or responsibility for corporate reporting corporate social responsibility accounting research or semiotics will find this book essential reading      *A Social Critique of Corporate Reporting: A Semiotic Analysis of Corporate Financial and Environmental Reporting* David Crowther,2018-02-06 This title was first published in 2002 This text is concerned with the role of corporate reporting in UK public limited companies It is a common assumption that the most significant part of any corporate report is the accounting information contained within This book however takes a different view The central argument is that the purpose of corporate reporting has changed from one primarily of stewardship and accountability to shareholders to a more outward and forward looking perspective The author argues that one of the driving forces for this change in orientation is the discourse of environmental accounting along with other forces The book is essentially explorative The author is concerned with looking at different aspects of the changes in corporate reporting and

taking different perspectives in the development of the argument      **Thirty-first-Forty-seventh Annual Report [etc.]**  
Great Britain. General Register Office,1865      **Social Audit Pollution Handbook** Maurice Frankel,1978-09-06      *Legal Frameworks for Transparency in Water Utilities Regulation* Mohamad Mova Al'Afghani,2016-08-12  
Transparency in the regulation of water utilities is essential in order to ensure quality and fairness This book explores and compares different regulatory arrangements in the water utilities sectors in three jurisdictions to determine which regulatory and ownership model is most transparent and why The three jurisdictions considered are England UK Victoria Australia and Jakarta Indonesia Following an introduction to the importance of transparency in water utilities regulation the book provides an overview of the three chosen jurisdictions and their legal and institutional frameworks Through a comparison of these the author explores the contested and difficult terrain of privatization as often opposed to public ownership in which it is shown that the relationships between transparency and ownership models are not as clear cut as might be assumed Chapters consider various aspects and outcomes of the regulatory process and the role of transparency including topics such as regulators internal governance mechanisms utilities corporate governance licensing and information flow freedom of information and transparency in tariffs and pricing as well as customer service The book concludes with a summary of lessons learned to inform the refinement of transparency in utilities regulation      *Annual Reports of the Inspectors of Fisheries (England and Wales) for* ,1899      Managing Finance D. Crowther,2007-03-30  
Managing Finance is developed from tried and tested materials that are easy to read and work is written from a managerial perspective for general managers on executive or MBA courses The text focuses on accounting from the viewpoint of the needs of managers for financial information and understanding Scenarios and examples are included that demonstrate a socially responsible approach Business Scenarios are presented at the opening of each chapter and this is then used to explore the topics covered given at the start of the chapter This approach is very appealing to people with business experience There is supplementary material with this text for the website with additional exercises cases multiple choice questions Powerpoint presentations and tutorial material This will be kept up to date and provide links to other resources      **Current Serials Received** British Library.
