Married and No Sex Anymore Bonet Kamwela,2020-02-06 This study focusses on the traditional belief of the district of Mzimba which is situated in the northern part of Malawi Women who reach menopause who believe in mbulu refuse to have sex with their husbands They believe that un used sperms come out during menstruation but since the period is past these sperms will remain in the womb and grow into living creatures causing the woman to swell the stomach and then later die The author a Reverend and MA student at Mzuzu University details the belief and its effect on society in Mzimba

Writing Idiomatic Python 3.3 Jeff Knupp,2013-02-10 The Writing Idiomatic Python book is finally here Chock full of code samples you ll learn the Pythonic way to accomplish common tasks Each idiom comes with a detailed description example code showing the wrong way to do it and code for the idiomatic Pythonic alternative This version of the book is for Python 3 There is also a Python 2 7 version available Writing Idiomatic Python contains the most common and important Python idioms in a format that maximizes identification and understanding Each idiom is presented as a recommendation to write some commonly used piece of code It is followed by an explanation of why the idiom is important It also contains two code samples the Harmful way to write it and the Idiomatic way The Harmful way helps you identify the idiom in your own code The Idiomatic way shows you how to easily translate that code into idiomatic Python This book is perfect for you If you re coming to Python from another programming language If you re learning Python as a first programming language If you re looking to increase the readability maintainability and correctness of your Python code What is Idiomatic Python Every programming language has its own idioms Programming language idioms are nothing more than the generally accepted way of writing a certain piece of code Consistently writing idiomatic code has a number of important benefits Others can read and understand your code easily Others can maintain and enhance your code with minimal effort Your code will contain fewer bugs Your code will teach others to write correct code without any effort on your part

Steven Petrow's Complete Gay & Lesbian Manners Steven Petrow,2011-01-01 Presents information and etiquette advice on questions including coming out dating tying the knot and starting a family

Beyond Shame Matthias Roberts,2020-01-07 We all carry sexual shame Whether we grew up in the repressive purity culture of American Evangelical Christianity or not we ve all been taught in subtle and not so subtle ways that sex outside of very specific contexts is immoral and taboo Psychotherapist Matthias Roberts helps readers overcome their shame around sex by overcoming three unhealthy coping mechanisms we use to manage that shame Beyond Shame encourages each of us to determine our own definition of healthy sex while avoiding the ditches of boundaryless sex positivity on the one hand and strict moralistic boundaries on the other Define your sexual values on your own terms overcome your shame and start having great healthy sex

Population Reconstruction Gerrit Bloothoof, Peter Christen, Kees Mandemakers, Marijn Schraagen,2015-07-22 This book addresses the problems that are encountered and solutions that have been proposed when we aim to identify people and to reconstruct populations under conditions where information is scarce ambiguous fuzzy and sometimes erroneous The process from handwritten registers to a reconstructed digitized population consists of three major phases reflected in the three main sections of this book The first phase involves transcribing and digitizing the data while structuring the information in a meaningful and efficient way In the second phase records that refer to the same person or group of persons are identified by a process of linkage In the third and final phase the information on an individual is combined into a reconstruction of their life course The studies and examples in this book originate from a range of countries each with its own cultural and administrative characteristics and from medieval charters through historical censuses and vital registration to the modern issue of privacy preservation Despite the diverse places and times addressed they all share the study of fundamental issues when it comes to model reasoning for population reconstruction and the possibilities and limitations of information technology to support this process It is thus not a single discipline that is involved in such an endeavor Historians social scientists and linguists represent the humanities through their knowledge of the complexity of the past the limitations of sources and the possible interpretations of information The availability of big data from digitized archives and the need for complex analyses to identify individuals calls for the involvement of computer scientists With contributions from all these fields often in direct cooperation this book is at the heart of the digital humanities and will hopefully offer a source of inspiration for future investigations

Predetermine Your Baby's Sex Bernarr Macfadden,1926

[Advanced SQL with SAS](#) Christian FG Schendera,2022-05-01 This book introduces advanced techniques for using PROC SQL in SAS If you are a SAS programmer analyst or student who has mastered the basics of working with SQL Advanced SQL with SAS will help take your skills to the next level Filled with practical examples with detailed explanations this book demonstrates how to improve performance and speed for large data sets Although the book addresses advanced topics it is designed to progress from the simple and manageable to the complex and sophisticated In addition to numerous tuning techniques this book also touches

on implicit and explicit pass throughs presents alternative SAS grid and cloud based processing environments and compares SAS programming languages and approaches including FedSQL CAS DS2 and hash programming Other topics include Missing values and data quality with audit trails Blind spots like how missing values can affect even the simplest calculations and table joins SAS macro language and SAS macro programs SAS functions Integrity constraints SAS Dictionaries SAS Compute Server

Sex & Violins Shari Held, Karen Keeley, Linda Kay Hardie, Jack Bates, Steve Liskow, Laura Hazan, Anna V. Nelson, Chandler Christie, Albert Tucher, Joseph S. Walker, Wendy Harrison, 2024-09-24 PLEASE NOTE This anthology contains scenes with graphic depictions of sexual acts between consenting and wildly enthusiastic adults We advise readers to read a maximum of two stories at a time to reduce the risk of overheating Sex can be the greatest pleasure or the deepest disappointment It s an expression of love a few moments of fun the way to scratch an itch a lifetime commitment and all with two or more bodies tangled in the dark The human form comes together in perfect harmony like musical instruments coming together to create the ultimate composition or concert Twelve authors have penned tales of sex crime revenge ego espionage and unexplainable events each involving a musical instrument commonly found in an orchestra Couples threesomes group sex same sex multiple partners a bit of bondage and one mermaid no matter who they are or what configuration they choose to satisfy their lust all participants soon learn it s not just about sex Of course with just one wrong note it s murder Sex Violins features stories of crime and intimacy by Jack Bates Laura Hazan Anna V Nelson Chandler Christie Albert Tucher Shari Held Karen Keeley Joseph S Walker Linda K Hardie Steve Liskow Wendy Harrison and Sandra Murphy

Studies in the Psychology of Sex Havelock Ellis, 1900

Online Sex Talk and the Social World Chrystie Myketiak, 2020-10-09 This book develops a feminist and queer linguistic account of the construction of sex sexuality and desire through a linguistic and discursive analysis of naturally occurring sex talk from an online community Critical discourse analysis is used to analyse a corpus of data drawn from incidental sex talk observed in the community over the course of an 18 month period Sub types of sex talk that are examined include cybersex self disclosure confidences joking games flirting and automated sexual commands that generate sex between participants The book will be of use to students and researchers interested in the language of gender and sexuality as well as feminist and queer accounts of technology and sexual communication

The Myth of Sex Addiction David J. Ley, 2012-03-08 The media today is filled with powerful men in trouble for their sexual behaviors and invariably they are diagnosed as sexual addicts Since Adam first hid his nakedness from God and pointed the finger at Eve men have struggled to take responsibility for their sexuality Over the past three decades these behaviors have come to reflect not a moral failing but instead evidence of an ill defined disease that of sexual addiction The concept of sexual addiction is a controversial one because it is based on questionable research and subjective moral judgments Labeling these behaviors as sex addiction asserts a false dangerous myth that undermines personal responsibility Not only does this epidemic of sex addiction excuses mislabel male sexuality as dangerous and unhealthy but it destroys our ability to hold

people accountable for their behaviors By labeling males as weak and powerless before the onslaught and churning tide of lust we take away those things that men should live up to personal responsibility integrity self control independence accountability self motivation honor respect for self and others In *The Myth of Sex Addiction* Ley presents the history and questionable science underlying this alleged disorder exposing the moral and cultural judgments that are embedded in the concept as well as the significant economic factors that drive the label of sex addiction in clinical practice and the popular media Ley outlines how this label represents a social attack on many forms of sexuality male sexuality in particular as well as presenting the difficulty this label creates in holding people responsible for their sexual behaviors Going against current assumptions and trends Ley debunks the idea that sex addiction is real or at least that it is as widespread as it appears to be Instead he suggests that the high sex behaviors of some men is something that has been tacitly condoned for countless years and is only now labeled as a disorder as men are being held accountable to the same rules that have been applied to women He suggests we should expect men to take responsibility for sexual choices rather than supporting an approach that labels male sexual desire as a demonic force that must be resisted feared treated and exorcised

Studies in the psychology of sex. v.1, 1901 Havelock Ellis,1905
