**Christ Divided** Katie Walker Grimes,2017-11-01 Bringing the wisdom of generations of black Catholics into conversation with contemporary scholarly accounts of racism Christ Divided diagnoses antiblackness supremacy as a corporate vice that inhabits the body of Christ To truly understand racial inequality theologians must acknowledge the existence of antiblackness supremacy and recognize its uniquely foundational role in prevailing processes of racialization and racial hierarchy In addition to introducing a new framework of racial analysis this book proposes a new approach to virtue ethics Because the

church's participation in and performance of white supremacy occurs as a result of corporate habituation the church most needs new habits not new teachings The theory of corporate virtue outlined here provides a framework through which to evaluate these habits and propose new ones to be made to do the right thing     In the Company of Others J.
