Shackled Confessions Of A Teenage Bank Robber:

Shackled John Swanger, 2015-01-06 SHACKLED is a real life tale of crime As a kid poverty and desperation at times sent him to live in orphanages and with countless relatives When he was with his mom they were constantly running from ex husbands and irate landlords At barely sixteen he was kicked out of his shattered family by stepfather number three Survival meant hustling pool and selling drugs Within a year he was robbing banks Bad choices bring consequences and by the age of eighteen it was time to pay up John Swanger tells the riveting story of his early years as a teenage boy eager for the loving father figure he never had When he finally finds him however the older man turns out to be a bank robber and John becomes one too Amazing escapades are retold in vivid detail based on Swanger s journal entries from the early 1970s Short chapters with suspense filled endings make the book a real page turner Of course Swanger eventually lands in jail and the reader longs for the sequel that will recount the even more remarkable events Dr Craig L Blomberg Prolific author and Distinguished Professor of New Testament Denver Seminary

Unshackled John Swanger, 2017-11-18 The sequel to Shackled Confessions of a teenage Bank Robber Unshackled a Story of Redemption starts at the end of my second year in prison It covers my final time of incarceration my time on parole and my life before finding The Lord It then encapsulates my life of service to The Lord with my wife Raylene

National Jeweler, 1938 **The Man Who Outgrew His Prison Cell** Joe Loya, 2004-09-07 A searing story about the painful climb one man must make from a life of crime to one filled with honor Growing up in a devoutly religious family with a father who believed in firm discipline and who was also studying for a Protestant ministry Joe Loya Jr seemed a blessed child When he was seven however his life was drastically altered when his mother was diagnosed with a terminal illness During the two years that led to her death Joe s pious and studious father became more and more violent brutally beating his two young sons This contradiction haunted Joe for years until one day at age sixteen during a particularly severe beating he finally retaliated and stabbed his father in the neck For Joe this was the starting point of a life of crime petty theft forgery fraud and ultimately bank robbery When Joe was finally arrested after holding up his twenty fourth bank he was sent to prison where he would serve seven years In prison his criminal behavior only got worse as he began to deal drugs smuggle weapons and even assault fellow prisoners until he was placed in solitary confinement the lowest of lows even for convicts There alone in his cell for two years he was finally able to forgive his father finding clarity cultural insight and redemption through writing During a soulful correspondence with acclaimed author Richard Rodriguez Loya ultimately found that he wasn t alone in his struggle to discover his identity and that anger is sometimes the doorway toward realizing one s self and one s purpose Although the images that propel an angry young man toward a life of crime may leave readers shuddering the power of Joe Loya s incredible story will surely remind us that we must not lose hope that wayward sons and daughters may one day return home
