Hymns for the use of the New Church, signified by the New Jerusalem in the Apocalypse. Carefully corrected, and arranged under proper heads. [By Robert Hindmarsh.] Third edition Robert HINDMARSH,1821 *Holy Angels* Sebastian Chukwuma Anokwulu,2013-09-06

This book is a testimony of faith to reawaken in the reader the presence and ministry of the Holy Angels as ordained by God and revealed in the Holy Bible The Holy Angels as Messengers of God are never treated in isolation from God Whenever and wherever they are mentioned in the Scriptures it is always to inform us further about God s love and care for man Using wide range of Biblical citations and narratives from the OT and NT the early Christian community the Church Fathers lives of some famous Saints and personal encounters the author leads the reader to see that these Holy Messengers still minister to us today The book strongly re emphasizes the truths about the love and care of the Holy Angels to man as commanded by God Where there is light there is no darkness Demons or evil spirits do not work where the Holy Angels minister Whoever believes in the works of the devil should believe more in the ministry of the Holy Angels because it is in their absence that the evil one operates The author wants the reader to realize that as life is miserable without light and light energy so miserable is a life without the presence and ministry of the Holy Angels God sent them to help those who are to inherit salvation Heb 1 14

My Whispering Angels Francesca Brown,Niall Bourke,2009-08-20 My Whispering Angels is the extraordinary story of an ordinary Irish wife and mother blessed with an incredible gift Francesca faced the dawn of the new millennium debilitated by ill health and despair without any hope or faith in her future This was until the loving angels and spirits that she remembered watching over her as a young girl returned to save her in adulthood We are taken on a wondrous journey of self discovery as Francesca describes how her angels helped her to recover from her illness and led her to a profound spiritual healing The angels taught her how to use her gift to help others and to use her insight to guide them to lives enriched with hope and purpose She describes some of the spirits that aid her in her healing work such as the beautiful child spirit of Joanna and relates the messages the angels deliver to her through meditations messages of hope that relate to the challenges the world faces today Francesca s remarkable story is a testament to the transformations that can occur if you open your eyes and your heart to hope
