Shadow Of The Twins Dark Eye Shadow Soldier 1:

Shadows of the Dark Crystal #1 J. M. Lee, 2019-06-25 Shadows of the Dark Crystal is the first book in a series of young adult novels set in the world of Jim Henson's The Dark Crystal and ties into the Netflix The Dark Crystal Age of Resistance series. The story takes place years before the events of the classic film and follows the journey of a young Gelfling woman who leaves her secluded home to uncover the truth surrounding the disappearance of her brother who has been accused of treason by the sinister Skeksis Lords. Praise for Shadows of the Dark Crystal: With deft nods to the original Dark Crystal movie and a passionate attention to detail, the author has fashioned an impressive prequel. Fans who will instantly recognize certain elements and newcomers alike will find themselves immersed in a new narrative with new protagonists and dangers to face. Readers who crave otherworld fantasy such as Jaleigh Johnson's The Mark of the Dragonfly and Paul Durham's The Luck Uglies will enjoy discovering this new series. School Library Journal While young readers probably won't have seen the film, the books might lead them to it even if they don't have that point of reference. Henson's world is richly imagined here and it will be well worth the projected four books to explore the landscape, characters, and storylines. The Bulletin of the Center for Children's Books Characters and situations are compelling, and this first of a planned four-volume series aptly sets the stage and the conflict and tugs strongly on the heartstrings, setting readers up for more great adventures. Booklist Before you watch the upcoming Netflix series, read the original novels from J. M. Lee. The Dark Crystal Age of Resistance that intertwine with the events of the series. Jim Henson's The Dark Crystal. Shadows of the Dark Crystal is set years before the events of the classic film and follows the journey of a young Gelfling woman who leaves her secluded home to uncover the truth surrounding the disappearance of her brother who has been accused of treason by the sinister Skeksis Lords. **The**

Twin Souls: Books 1 & 2 of the Eternity Series Holly Newhouse, 2014-11-23 A person can have many soul mates in a lifetime, but each person has only one twin soul in each life. This belief, taught to me by my grandmother, is one that has always filled me with wonder. As a young child, she often sat next to me in front of the fire, blazing brightly in our tipi, and spoke of the legend of the twin souls. The legend is as old as creation itself. It is said that as the creator was making human beings, he was surrounded by souls to place in them. The creator decided to take a single soul and split it in half, creating twin souls. He then took the two twin souls and touched them together as light as a butterfly's kiss. The twin souls were then separated and placed respectively into man and woman. The creator lightly touched them together so that when they meet one day, they will recognize the other's soul as their twin. This is because they have already met at the beginning of creation and will immediately feel as if they have known each other forever. I am Sumanitu, taka kici mani wiya, which means she who walks with the wolf and lives with my elderly grandmother, Shetawahki, who is a revered elder and medicine woman of the Lakota Sioux Nation and part of the Roaming Wolf Sioux Tribe. **Talon of the Silver Hawk (Conclave of Shadows, Book**
