## **Shackleton By Endurance We Conquer:**

Shackleton Michael Smith, 2014-10-02 Ernest Shackleton is one of history's great explorers an extraordinary character who pioneered the path to the South Pole over 100 years ago and became a dominant figure in Antarctic discovery A charismatic personality his incredible adventures on four expeditions have captivated generations and inspired a dynamic modern following in business leadership None more so than the Endurance mission where Shackleton's commanding presence saved the lives of his crew when their ship was crushed by ice and they were turned out on to the savage frozen landscape But Shackleton was a flawed character whose chaotic private life marked by romantic affairs unfulfilled ambitions overwhelming debts and failed business ventures contrasted with his celebrity status as a leading explorer Drawing on extensive research of original diaries and personal correspondence Michael Smith's definitive biography brings a fresh perspective to our understanding of this complex man and the heroic age of polar exploration **Sir Ernest Shackleton** Patricia Calvert, 2003 Presents the life and Arctic explorations of Sir Ernest Shackleton Shackleton's Way Margot Morrell, Stephanie Capparell, 2001-01-08 Lead your business to survival and success by following the example of legendary explorer Ernest Shackleton Sir Ernest Shackleton has been called the greatest leader that ever came on God's earth bar none for saving the lives of the twenty seven men stranded with him in the Antarctic for almost two years Because of his courageous actions he remains to this day a model for great leadership and masterful crisis management Now through anecdotes the diaries of the men in his crew and Shackleton's own writing Shackleton's leadership style and time honored principles are translated for the modern business world Written by two veteran business observers and illustrated with ship photographer Frank Hurley's masterpieces and other rarely seen photos this practical book helps today's leaders follow Shackleton's triumphant example An important addition to any leader's library Seattle Times **Shackleton's Endurance** Joanna Grochowicz, 2021-05-04 Adrift on the Antarctic pack ice with no means of escape and no hope of rescue Ernest Shackleton and his men are surely doomed In August 1914 Ernest Shackleton and his men set sail for Antarctica where they plan to cross the last uncharted continent on foot In January 1915 his ship the Endurance becomes locked in pack ice Later it sinks without a trace To survive Shackleton and his crew of twenty seven men must undertake a trial even more extreme than their planned crossing of the frozen continent Their aim is to make it home against tremendous odds with only lifeboats to cross the heavy seas of the South Atlantic and the life saving power of Shackleton's extraordinary leadership skills An incredible true story brought to life in a highly readable style Michael Smith author of Shackleton By Endurance We Conquer Praise for AMUNDSEN'S WAY INTO THE WHITE Joanna Grochowicz's narrative non fiction brings to life characters and events without skimping on historical fact While the extensive research underpinning the book is apparent it is the narrative voice that carries us forward New Zealand Review of Books Amundsen's Way is a thoroughly enjoyable and readable story about some very brave people coping with horrific challenges It is ideal for making young readers aware of the pleasures of
