The Arm of the Lord G. Terrell Cotter,2012-05-08 You may want to know what this book is about It isn't about the end of the world Rather it is an open portal to what the Bible says is an inevitable future when God reconciles His creation to Himself Part of that reconciliation will be when He steps into time and space and says Times up now the judgment The Arm of the Lord is a Hebrew idiom for the power of Yahweh excerpted from Isaiah 53 1 It isn't coincidental that the magnificent 53rd chapter of Isaiah the Suffering Servant starts with this preamble The power of God examined in this story is God's power to redeem fallen mankind without compromising His righteousness

The True Story of Jesus the Christ Thomas Kerrins, 2011-11 In *The True Story of Jesus the Christ* author Thomas Kerrins examines the validity of the Story of Creation To validate the Old Testament narrative of our history that Jesus himself exists only because of Mankind's rebellion toward God starting with Adam Thomas uses as evidence the Flood the trials and tribulations of Abraham Isaac and Jacob and the clues found beneath the sands of the Middle East He also looks at the followers of Jesus to find out who they were and what role they played in the beginning of Christianity Many experts and theologians are quoted such as Dr Juris Zarins who shows through satellite imagery of Iraq Iran and Syria the existence of fossilized rivers pinpointing the possible existence of Eden Also quoted is Henry Rawlinson who discovered the Behistun inscription that provided a tool to read another version of creation from a civilization 800 miles from where the Old Testament version of Genesis was written Furthermore archaeological evidence will be presented to validate such events as the Exodus the Kings of Israel and the invasions from Babylon and Persia Understanding Jesus was to know who he was and what was his mission

A Rocket for the Toff John Creasey, 2015-09-20 Kate Lowson was waiting at the airport when suddenly the Alsatian sprang at her As she lay on the ground the figures present sidled off but then The Toff appeared on the scene Very soon the story became as lively as an electric wire as the balance fell first one way then the other with Kate firmly in the middle of the puzzle

Chasing the Kahuna Lucille Gabriel, 2008-12-30 Airman Jeremiah who is stationed at Hickam Air Base in Hawaii meets the kahuna lapaau and learns the Hawaiian philosophy of hoopononono the art of forgiveness and

compromise followed by the harmonious merging of soul and body On his next assignment in Korea Jeremiah falls for a beautiful chaste Korean girl and marries her When his family is found murdered Jeremiah is the prime suspect forcing him to go AWOL In Hawaii he chases the kahuna in search of redemption for his sins However the kahuna is not convinced that Jeremiah is a murderer and uses all his powers of kahunaism to seek the truth *A Time and A Season* Sylvia

Huffnagle,2008-04 *A Time and A Season* is about a Christian woman Deb whose forty year marriage falls apart During a mid life crisis her husband Randy has an affair with a much younger woman Randy moves in with his girlfriend Lenora and divorces Deb Deb goes through the whole gambit of hurt and suffering but she feels led to fight spiritually for Randy s salvation and restoration Throughout the novel Deb walks by faith and though she is brokenhearted life goes on even for her She continues her Christian ministry all the while believing that God will bring Randy to repentance and restore their marriage In Ecclesiastes it says there is a time and season for everything under the sun Read about the experiences Deb goes through as she patiently waits for the season when her marriage will be restored *Preludes* Christine Downing,2005-05

These essays are clearly not about play as unseriousness not about fun and games a point that should be abundantly demonstrated by the reference to the death camps of the Holocaust They are about the space the Spielraum necessary for the wheel of life to turn soulfully Christine Downing s essays may be felt to function as a possible prelude to the play of a truly ludic imagination which like Buber s slow medicine quietly enters the soul working into the heart awakening a secret melody to be noticed only later Preludes indeed David L Miller Author of Three Faces of God and Hells and Holy Ghosts
