Homosexuality on the Small Screen Sebastian Buckle, 2018-08-30 Television provides a unique account of the development of a homosexual identity across the western world emerging as it did when ideas around sex and sexuality were themselves only just beginning to be publicly discussed From the very earliest surviving drama featuring homosexuality in 1959 Homosexuality on the Small Screen explores each decade s programming in turn looking at homosexual themes storylines and characters situating them historically and relating them to the broader events in British history By doing so it examines the interactions between the medium and the reality of gay lives showing how television mirrored the changes taking place in British society For those with a homosexual or emerging homosexual sexual orientation they were seminal in early personal and social development For heterosexual viewers these images were equally important in exploring a sexual other which otherwise remained hidden from them They included positive storylines which helped improve public ideas about homosexuality but also stereotypical images which propagated negative attitudes in the public consciousness Homosexuality on the Small Screen charts this fascinating journey and television s role in the construction of a gay identity

Robin Cook Untitled 2025 Robin Cook, 2025-12-04 From the master of the medical thriller The New York Times Robin Cook fan favorites Jack and Laurie return in another fast paced story about a deadly bioweapon that could disrupt the world order as they know it When Laurie Montgomery temporarily steps down from her position as Chief Medical Examiner at the OCME to get a break from office politics she and Jack decide to embark on a weekend getaway And the timing couldn t be better when they receive a call from Jack s old peer Robert Neilson MD about two strange deaths and their potential association with the upswing in Alzheimer s cases in Essex Falls

Deciding this is just what the doctor ordered Laurie and Jack agree to help and head upstate But Essex Falls is far from the rural idyllic town of their imagination It s apparent that most of the residents are earnest in their undying wish to return America back to the 1950s Robert tells them the deaths are of two troublemakers known to be white extremists in their late twenties Prior to their deaths their behavior had been somewhat bizarre with both complaining of muscle spasms nausea and off the charts anxiety As Jack and Laurie get to work they are led to believe that a dangerous bioweapon might be at play which in the wrong hands could threaten the lives of the entire town and maybe all of America

How Parliament Works 6th edition Robert Rogers,Rhodri Walters,2013-09-13 Although Parliament is constantly in the news and televised daily much of its work remains a mystery to outsiders and is sometimes perplexing even to its own members This book provides a unique insight into the work and daily life of Parliament It sets out plainly and intelligibly what goes on and why things happen but it also analyses the pressures within the institution its strengths and weaknesses and ways in which it might change Covering every aspect of the work membership and structures of both Houses this book also reflects the profound changes that have taken place in Parliament over the years

Arms Sales and Regional Stability The International Institute for Strategic Studies (IISS),2023-04-28 The book considers the main arms exporting countries including China Russia and the US as well as several European states and the policies each employs in deciding advanced weapons sales to key regions of the world It examines whether such sales are inherently stabilising or de stabilising regarding regional security Regions reviewed in detail include the Middle East and the Indo Pacific Combat aircraft sales are a focus for the volume given both their practical and symbolic importance The volume focuses on the behaviour and policies

of the main arms exporting nations since the end of the Cold War shifts in their arms export policies and the tensions that can emerge within or between countries over proposed arms sales It also considers the impact of countries that were previously only recipients of advanced weapons moving to develop their own defence industrial base *Case Studies in Environmental Archaeology* Elizabeth Reitz, C. Margaret Scarry, Sylvia J. Scudder, 2008 This book highlights studies addressing significant anthropological issues in the Americas from the perspective of environmental archaeology The book uses case studies to resolve questions related to human behavior in the past rather than to demonstrate the application of methods Each chapter is an original or revised work by an internationally recognized scientist This second edition is based on the 1996 book of the same title The editors have invited back a number of contributors from the first edition to revise and update their chapter New studies are included in order to cover recent developments in the field or additional pertinent topics **Speakers and the Speakership** Paul Seaward, 2010-02-08 This volume explores the role of the Speaker and the Lord Chancellor in the Westminster Parliament before the advent of democracy setting it beside the practice at Dublin and Edinburgh over the same period and the more recent history of the role at London and Washington First in depth study since the mid 1960s of how Speakers and the Speakership have operated in Parliament in Britain Includes contribution by the former Speaker of the House of Commons Baroness Boothroyd describing her own tenure of the Speakership Covers practice at Westminster and at Dublin and Edinburgh and a comparison of Speakers at Westminster and Washington during the nineteenth and twentieth centuries Composed of papers from a conference held at the House of Commons in April 2008

Complete Public Law Lisa Webley, Harriet Samuels, 2021 Complete Public Law combines extracts from key primary and secondary materials with jargon free text to provide a resource for the student new to the study of constitutional and administrative law Rebel With a Cause Ann Clwyd, 2017-03-28 A BORN REBEL ANN CLWYD HAS NEVER FEARED A FIGHT The first woman to represent a Welsh Valleys constituency in Parliament Ann Clwyd has spent thirty three years in the corridors of power and witnessed the key political events of modern times from the miners strike which ripped apart communities to the EU referendum which looks set to reshape a continent She was shadow Secretary of State for Wales and shadow Secretary of State for International Development only to be sacked over her refusals to toe the Labour Party line Waging a tireless war against injustice from the back benches Ann has campaigned for better quality NHS care a cause close to her heart and one that became tragically personal when her beloved husband Owen was failed by our hospitals Publicly denounced by Saddam Hussein she has been a fierce ally of the Iraqi people for decades earning a place on the regime s most wanted list and winning the lifelong affection of its citizens Rebel with a Cause is Ann Clwyd s remarkable story of battling for her principles regardless of wounds inflicted on her political career This resolve was demonstrated when undeterred by Labour leader Jeremy Corbyn s three line whip she voted against Article 50 Despite having faced constant opposition over the course of her parliamentary career Ann has always fought back fiercely and continues to do so to this day

Blair's Successful War Andrew M. Dorman, 2016-04-08 Andrew Dorman introduces Sierra Leone as Blair's second great military adventure after Kosovo and the first he undertook on his own. It is tied to Blair's 1999 Chicago speech on the Doctrine of the International Community, his move towards humanitarianism and the impact of the Kosovo experience. The book links this move with the rise of cosmopolitan militaries and the increasing involvement of Western forces in humanitarian operations and their impact on the international system. Furthermore, it places it within the context of defence transformation and the emerging Western expeditionary capabilities, in particular the European Union's new battle group concept and developments in concepts such as Network Centric Warfare and Networked Enabled Capability. Examining the whole campaign and considering the impact on the Blair Government, this book will prove to be a key reader on the topic.

Negotiating Cohesion, Inequality and Change Hannah Jones, 2013-09-09 How are multiculturalism, inequality and belonging understood in the day-to-day thinking and practices of local government? Examining original empirical data, this book explores how local government officers and politicians negotiate difficult subjects linked with community cohesion, policy diversity, inequality, discrimination, extremism, migration, religion, class, power and change. The book argues that such work necessitates uncomfortable positions when managing ethical, professional and political commitments. Based on first-hand experience of working in urban local government and extensive ethnographic interview and documentary research, the book applies governmentality perspectives in a new way to consider how people working within government are subject to regimes of governmentality themselves and demonstrates how power operates through emotions. Its exploration of how sociological imaginations are applied beyond academia will be valuable to those arguing for the future of public services and building connections between the university and wider society, including scholars and students in sociology, social policy, social geography, urban studies and politics, and policy practitioners in local and central government. Winner of the BSA Philip Abrams Memorial Prize 2014.

Cloning Stephen D. Fairbanks, 2004 The terms recombinant DNA technology, DNA cloning, molecular cloning or gene cloning all refer to the same process: the transfer of a DNA fragment of interest from one organism to a self-replicating

genetic element such as a bacterial plasmid The DNA of interest can then be propagated in a foreign host cell This technology has been around since the 1970s and it has become a common practice in molecular biology labs today Reproductive cloning is a technology used to generate an animal that has the same nuclear DNA as another currently or previously existing animal Dolly was created by reproductive cloning technology In a process called somatic cell nuclear transfer SCNT scientists transfer genetic material from the nucleus of a donor adult cell to an egg whose nucleus and thus its genetic material has been removed The reconstructed egg containing the DNA from a donor cell must be treated with chemicals or electric current in order to stimulate cell division Once the cloned embryo reaches a suitable stage it is transferred to the uterus of a female host where it continues to develop until birth Therapeutic cloning also called embryo cloning is the production of human embryos for use in research The goal of this process is not to create cloned human beings but rather to harvest stem cells that can be used to study human development and to treat disease Stem cells are important to biomedical researchers because they can be used to generate virtually any type of specialised cell in the human body This new book presents an up to date Chronology of Cloning along with current and selected abstracts dealing with cloning as well as a guide to books on the topic Access to the abstract and books sections is provided by title subject and author indexes

Library Journal ,1989 *Parliament and the Legislative Process* Great Britain: Parliament: House of Lords: Select Committee on the Constitution,2004 The Committees report examines parliamentary scrutiny of legislation focusing on the process for dealing with primary legislation i e the scrutiny of parliamentary bills This examination is carried out in the light of the Rippon Commission report on the topic Making the Law produced by the Hansard Society Commission on the Legislative Process which was published in 1992 Topics discussed include the mechanisms for pre legislative and post legislative scrutiny the growth of legislation the dissemination of information and ways of gauging public opinion through consultation Conclusions drawn by the Committee include concern over the growth in the number and complexity of bills being presented to Parliament without adequate expansion in the capacity to deliver effective scrutiny The report contains a number of proposals designed to help engender a culture shift away from this unsustainable volume of legislation towards a culture of justification which encourages government to adopt a more disciplined approach to the introduction of bills based on the objective of effectiveness rather than quantity *Daily Graphic* Elvis Aryeh,2000-02-15 *Gibraltar* Peter Gold,2005 The year 2004 marks three hundred years since Britain took possession of Gibraltar a rocky promontory at the foot of the Iberian Peninsula sometimes referred to as The Rock Gibraltar British or Spanish provides a detailed study of the attempts that have been made by Spain especially since 1984 when Britain and Spain signed an agreement to discuss the future of Gibraltar to regain the sovereignty of The Rock despite the wishes of the Gibraltarians The New Mandarins John Dickie,2004-05-28 Not since Anthony Eden launched the Suez War in 1956 has Britain s foreign policy provoked such intense controversy Every Government statement throughout the recent Iraq crisis has highlighted the strains of Prime Minister

Tony Blair in taking a reluctant country into war Walking a diplomatic tightrope he has sought to balance his transatlantic loyalties as a steadfast ally of the United States with his electoral pledge of strengthening Britain's position at the heart of Europe Each decision was destined to have a serious impact not just in the Labour Party but among ordinary British voters prepared as never before to parade their views in the streets The Prime Minister also had to recognise the momentous repercussions his decisions could have on the credibility of the UN the unity of Europe the effectiveness of NATO and the cohesion of the Commonwealth How are these British foreign policy decisions taken How do British diplomacy and decision making actually work For generations the Foreign Office operated as an elitist secretive institution resisting intrusion and change Now with this book the doors have been opened on the quiet revolution which has transformed the Foreign Office John Dickie's penetrating journey through the corridors of power reveals for the first time how the new mandarins are tested selected trained and promoted in Britain's Diplomatic Service His unrivalled knowledge has enabled him to disclose the structures and mechanism of foreign policy making in London and t
