Young,Nancy K. Young,2010-09-17 More than 150 articles provide a revealing look at one of the most tempestuous decades in recent American history describing the everyday activities of Americans as they dealt first with war and then a difficult transition to peace and prosperity The two volume World War II and the Postwar Years in America A Historical and Cultural Encyclopedia contains over 175 articles describing everyday life on the American home front during World War II and the immediate postwar years Unlike publications about this period that focus mainly on the big picture of the war and subsequent economic conditions this encyclopedia drills down to the popular culture of the 1940s bringing the details of the lives of ordinary men women and children alive The work covers a broad range of everyday activities

throughout the 1940s including movies radio programming music the birth of commercial television advertising art bestsellers and other equally intriguing topics The decade was divided almost evenly between war 1940 1945 and peace 1946 1950 and the articles point up the continuities and differences between these two periods Filled with evocative photographs this unique encyclopedia will serve as an excellent resource for those seeking an overview of life in the United States during a decade that helped shape the modern world

America in the Cold War William T. Walker, 2014-01-22 Including extensive balanced information keen insights and helpful research tools this book provides a valuable resource for students or general readers interested in American policy diplomacy and conduct during the Cold War The Cold War not only comprised the dominant theme in American foreign policy during the second half of the 20th century its influence was also imbedded into American culture The half century duration of the Cold War was an extended learning period during which the United States found that it could no longer remain an isolationist nation in a complex quickly evolving and dangerous world This book covers the entire scope of the Cold War from its background and origins before and after World War II to the collapse of the Soviet Union on December 25 1991 providing coverage of key events and concepts such as the containment policy McCarthyism the Cuban Missile Crisis the Vietnam War détente and nuclear arms policies The single volume work also provides an annotated bibliography primary documents and biographies of key personalities during the Cold War such as John Foster Dulles J Edgar Hoover George F Kennan Henry Kissinger Edward R Murrow and Ronald Reagan

The Metanarrative of Suspicion in Late Twentieth-Century America Sandra Baringer, 2013-04-15 Narratives of suspicion and mistrust have escaped the boundaries of specific sites of discourse to constitute a metanarrative that pervades American culture Through close reading of texts ranging from novels Pynchon's *Vineland* Silko's *Almanac of the Dead* Pierce's *The Turner Diaries* to prison literature this book examines the ways in which narratives of suspicion are both constitutive and symptomatic of a metanarrative that pervades American culture

Civil War America, 1850 To 1875 Richard F. Selcer, 2014-05-14 Features essays statistical data period photographs maps and documents
