which to find theoretical critique and social justice organizing but also shows how critical ethnic studies interventions can be applied broadly across political and religious divides outside the academy **The American Promise, Combined Edition**

Municipal Index , 1928 [The Birth of Conservative Judaism](#) Michael R. Cohen, 2012-05-22 Solomon Schechter 1847 1915 the charismatic leader of New York s Jewish Theological Seminary JTS came to America in 1902 intent on revitalizing traditional Judaism While he advocated a return to traditional practices Schechter articulated no clear position on divisive issues instead preferring to focus on similarities that could unite American Jewry under a broad message Michael R Cohen demonstrates how Schechter unable to implement his vision on his own turned to his disciples rabbinical students and alumni of JTS to shape his movement By midcentury Conservative Judaism had become the largest American Jewish grouping in the United States guided by Schechter s disciples and their continuing efforts to embrace diversity while eschewing divisive debates Yet Conservative Judaism s fluid boundaries also proved problematic for the movement frustrating many rabbis who wanted a single platform to define their beliefs Cohen demonstrates how a legacy of tension between diversity and boundaries now lies at the heart of Conservative Judaism s modern struggle for relevance His

analysis explicates four key claims that Conservative Judaism's clergy not its laity or Seminary created and shaped the movement that diversity was and still is a crucial component of the success and failure of new American religions that the Conservative movement's contemporary struggle for self definition is tied to its origins and that the porous boundaries between Orthodox Conservative and Reform Judaism reflect the complexity of the American Jewish landscape a fact that Schechter and his disciples keenly understood Rectifying misconceptions in previous accounts of Conservative Judaism's emergence Cohen's study enables a fresh encounter with a unique religious phenomenon
