Secular Hymnal 4 12 Famous Hymn Tunes For Musicians:

Secular Hymnal 4 Secretary Michael, 2014-01-01 Whether we are aware of it or not we all know plenty of hymns They are part of our country's soundtrack In addition to being in churches they can be heard in movies and many other places The Secular Hymnal is for anybody who enjoys singing either alone or with a group All the music is written in 4 part harmony soprano alto tenor bass each on its own staff If you are singing alone just sing the main melody the soprano part Supportive chord symbols are provided If you are a family or a quartet of friends or a choir you will find the SATB parts easy to read If you wish to form a singing group with your family or friends there's no better way to make that wish come true than with these hymns We've even added SOL FA syllables to some of the songs so that singers can learn to solfege When it comes to learning about music hymn tunes are wonderful teaching tools They are so tidy with their logical structure and simple rhythms Being so small they are easy to dissect We can take them apart voice by voice bar by bar beat by beat We can study their structures their proportions their harmonies and the counterpoint between the voices Just page through a few of the hymns You will see that most are only 16 bars long Those 16 bars are divided evenly into two periods 8 bars each Each of the periods is divided evenly into two phrases 4 bars each It's so textbook perfect We can even exchange parts between different hymns like a Mister Potato Head And the truths that we learn from studying little hymns can be applied to oratorios symphonies and other large works of music Even though the music is important teachers and others sometimes feel uncomfortable about singing hymns outside of the church walls The traditional verses were not written for the general public or for the school classroom They were written for a very different purpose for worship in the churches To address this situation we have provided the old music with rich new inclusive lyrics While nothing can replace the grandeur of the original verses these new ones were carefully crafted and have a gentle beauty and intelligence of their own This booklet contains 12 well known hymn tunes with inclusive secular verses This booklet is the fourth volume in a series of five Although the individual volumes are easy to handle a larger Secular Hymnal is also available which contains all 60 Secular Hymns found in all five volumes **Sursum Corda**, 1898 Grove's Dictionary of Music and Musicians George Grove, 1910 *American Publishers' Circular and Literary Gazette*, 1858 *A dictionary-index of musicians* (eds.
