The Who and Philosophy Rocco J. Gennaro,Casey Harison,2016-06-23 The Who were one of the most memorable and influential of the 1960s British Invasion bands memorable because of their loudness and because they destroyed instruments during performances and influential because of their success in crafting Power Pop singles like My Generation and I Can See for Miles long playing albums Live at Leeds and Who s Next and the rock operas Tommy and Quadrophenia The themes that principal songwriter Pete Townshend imparted into

The Who's music drew upon the group's mostly working class London upbringings and early Mod audiences' frustration, angst, irony, and a youthful inclination to lash out. Like some of his rock and roll contemporaries, Townshend was also affected by religious ideas coming from India and the existential dread he felt about the possibility of nuclear war. During a career that spanned three decades, The Who gave their fans and rock critics a lot to think about. The remarkable depth and breadth of The Who's music and their story as one of the most exciting and provocative rock bands over the last half century are the subjects of the philosophical explorations in this collection.

Unrealized Who projects are discussed and analyzed for the first time in print. Finally, the work contains a discography of CDs and an exhaustive appendix of every known Who song.

Once in a Very Blue Moon Debra Lowry, 2020-02-04. Brianna Nelson was born under a Blue Moon. Her psychic grandmother Lilly predicted that Brianna would walk under the Blue Moon, which would prove to be a difficult path. And Lilly was right. Brianna was raised by Mel, her alcoholic father, who could be nice when sober but mean and unpredictable when drinking. Brianna's life was dysfunctional; often she didn't have food to eat, and she was embarrassed to bring any friends home in case her father was on one of his rants. She did the best she could to survive a life without a mother and without help, a life where she often had to be the parent, buy the food, and clean the house. Her grandmother Lilly did what she could but was constrained by a promise she had made to Brianna's mother, Ivy. But thankfully, Brianna had a protector, Bobby Coleman, a boy who lived across the street who was a few years older than her. Bobby became her guide, her best friend, and eventually her love interest. She also had a faithful, kind friend, Rosie, who stands by her through the joys and the heartaches of her life. Brianna faces many challenges as she grows up, some very difficult and unexpected. But she manages to survive them and grows stronger and more determined to achieve her goals. Her biggest dream is to one day have her own antique business, following in the footsteps of Lilly. Lilly teaches her everything she knows, taking Brianna to auctions and showing her the value of each item she buys. In a climactic, frightening nightmare of a day, Brianna and Bobby are faced with the most horrible incident possible. They pull together to combat the most evil forces imaginable. Brianna will surprise you, impress you, and make you laugh. She is an unforgettable woman who is someone you'd like to know. Blue Moon: it can be the second full moon in a month but can also be a moon surrounded by a blue ring of color, not usually seen around the moon.
