William H. Shannon
SEEDS OF PEACE
Contemplation and Non-Violence

William Shannon offers hope and answers to all of us who want peace in our personal lives, our relationships, and the world in which we live. He calls us to new and exciting experiences that far surpass the kind of life that is possible at the level of just the superficial. He shows us how a contemplative life, which enables us to experience our oneness with God and in God with one another, inevitably leads to a lifestyle of non-violence and unconditional love. These ideas are the seeds of a peaceful life. It is William Shannon's gift that he can help us to achieve it.

William H. Shannon, a priest of the diocese of Rochester, is internationally recognized as an outstanding writer of spiritual books for people of all faiths.

Gandhi's Truths in an Age of Fundamentalism and Nationalism Sathianathan Clarke,Stephen Pickard,2022-03-08 The twenty first century has seen violence thunder back onto the stage of history Religious political social cultural and economic constituents and interests thus contribute to the local and global manifestations of violence in our interconnected and contracting global world Firmly embedded within the field of religion the authors of this volume concede that religious motifs and impulses are alive and well in this unfolding of bloodshed It is no wonder then that in our volatile historical age religious fundamentalism and illiberal nationalism have emerged as dominant contemporary movements Against this backdrop the contributors to this edited book look back in order to move forward by reflecting upon the truth force Satyagraha that grounded and guided Mohandas Karamchand Gandhi 1869 1948 On the heels of several commemorations in 2019 of the 150th anniversary of Gandhi s birth we reexamine the truths of his philosophy and nonviolent strategy to resist religious and political fundamentalisms Embracing truth was for Gandhi the only way to achieve complete freedom poorna Swaraj The goal of freedom which Gandhi conceptualized as profoundly personal expansively communitarian and organically ecological emanates from a firm grasp of truth

Alive in God Timothy Radcliffe,2019-10-03 How can Christianity touch the imagination of our contemporaries when ever fewer people in the West identify as religious Timothy Radcliffe argues we must show how everything we believe is an invitation to live fully God says I put before you life and death choose life Anyone who understands the beauty and messiness of human life novelists poets filmmakers and so on can be our allies whether they believe or not The challenge is not today s secularism but its banality We accompany the disciples as they struggle to understand this strange man who heals casts out demons and offers endless forgiveness In the face of death he teaches them what it means to be alive in God Then he embraces all that afflicts and crushes humanity Finally Radcliffe explores what it means for us to be alive spiritually physically sacramentally justly and prayerfully The result is a compelling new understanding of the words of Jesus I came that they may have life and have it abundantly
