Moore, 2015-07-03 **STEM Road Map** A Framework for Integrated STEM Education is the first resource to offer an integrated STEM curricula encompassing the entire K-12 spectrum with complete grade level learning based on a spiraled approach to building conceptual understanding. A team of over thirty STEM education professionals from across the U.S. collaborated on the important work of mapping out the Common Core standards in mathematics and English language arts, the Next Generation Science Standards performance expectations, and the Framework for 21st Century Learning into a coordinated integrated STEM education curriculum map. The book is structured in three main parts: Conceptualizing STEM, STEM Curriculum Maps, and Building Capacity for STEM. Designed to build common understandings of integrated STEM, provide rich curriculum maps for implementing integrated STEM at the classroom level, and support to enable systemic transformation to an integrated STEM approach, the **STEM Road Map** places the power into educators' hands to implement integrated STEM learning within their classrooms without the need for extensive resources, making it a reality for all students.

Let's Talk About Aging Parents Laura Tamblyn Watts, 2024-04-30 Caring for an aging parent can raise a host of tricky questions, but these conversation starting scripts plus expert advice will help you and your parent find answers. In down-to-earth language, Laura proposes helpful scripts for having a host of often prickly conversations about the health and safety of our parents. The Wall Street Journal Age proofing an older relative's living space, figuring out powers of attorney, spotting and dealing with signs of dementia, asking them to give up the car keys, or consider assisted living: the first step toward tackling these concerns and more is an honest informed discussion. Here are prompts and road maps for twenty-seven essential conversations with your parent, other family members, and health care providers including: Does my parent need help around the house? What kind of medical issues should we look out for? Do I really need to help my parents if they're toxic? How can my family share the caregiving load? How to approach these topics is just as important as what needs to be said, so each chapter has tips for navigating complex emotions and finding shared ground when everyone has different ideas. You'll get informed, have a productive discussion, and make a plan so you can get back to making the most of your time with your parent.
