LOVE Adrian Gabriel Dumitru, 2021-03-22 LOVE the pathless path that goes to your soul Is really love a necessity for our lives Why can't life be much simpler mathematical with very clear rules to follow Why we need to fall in love We should spend our lives only following the path the society taught us about finish school get a job make money try to be successful retire and then die Why we need this complicated story of studying what love is about Well first all of you have a heart inside of you to feel the life and being in a love story everything becomes more real Following just the paths the society told you about should be boring This is why lots of poets and writers wrote so much trying to define the meaning of love in our lives When you are the kind of person that look at life in a logical and rational way falling in love looks like useless like a pathless path But discovering the love feelings in a time when everything looked like boring in your life redefines everything Is never a good moment to fall in love cause you will always need to do something in the real life and looks like there is no time to loose for those silly feelings but one day when the feelings become so strong inside of you you realise that you just started to feel ALIVE You always did what other taught you to do in life the parents friends teachers or people you know but no one came to you to whisper the secret of life IF YOU WANT TO FEEL ALIVE JUST LET YOUR HEART TO FALL IN LOVE You might loose your soul your heart your mind but you will feel being alive No other path gives you those feelings Yesss truth be told LOVE is the pathless path but it goes to your soul

Sparsh Kothari, 2022-09-30 R describes the journey of a man who lives on the margins of hubris, identity and romance. Minzh must come to grips with his identity as both a liberator and world leader. He will arrive to personal and worldly realization through a series of romantic encounters in which he learns more about himself, his traits and his personal trauma and background. Through his experiences, he will come to appreciate a dialectic and interplay of love and power that pervades his inner and public struggle to authentically assert his identity. Love and power as compatible and polarizing forces haunt and liberate Minzh through the treacherous yet beautiful arms of infidelity. He will be challenged with a series of choices in order to move the plot of the narrative forward. Some choices will require him to abandon what he has known and that which he is loyal to in order to breach esoteric realms of romance that become essential in understanding his trauma, growth in maturity and development of identity. R is a godly figure that frequently possesses and seduces Minzh first as a platonic romance through the god-king Ozymandias, second as the divine reflection of Minzh and the arbiter of his reason, and later reveals herself to be the sun goddess Ra who has fallen in love with the enlightened and compassionate state of Minzh's being. Her figure shadows Minzh throughout his journey and plays a vital part in protecting and nourishing his mind during times of personal doubt, emotional pain and the psychotic confrontation with his own trauma. Minzh has also fallen in love with R and dedicates the book to her because of his realization throughout the story of the vital functions R has played in his personal and romantic life. R is a miraculous journey of a man that confronted with the specter of his own shadow and the looming demons of his psychosis acquires immense trust with the brilliant traits of his mind to lift himself up to the more vivacious and genuine shores of reason and love, integrating and enlivening his vibrant conscious psyche and subconscious.
