

Section 1

Why Constitutions Matter

- State constitutions are important for several reasons:
 - State constitutions create the structure of state government and provides for separation of powers.
 - State constitutions establish the different types of local government, such as counties, townships, municipalities, special districts, parishes, and boroughs.

Section Guided And Review State Constitutions

Patrick T. Conley, Robert G. Flanders

Section Guided And Review State Constitutions:

Understanding State Constitutions G. Alan Tarr, 2018-06-05 For many Americans the word constitution means just one thing the national Constitution According to a recent survey almost half do not know that individual states also have constitutions Scholars have also paid little attention to state constitutions favoring the apparently more dynamic and significant federal scene G Alan Tarr seeks to change that in this landmark book A leading authority on state legal issues he combines history law and political science to present a thorough and long needed account of the distinct and important role of state constitutions in American life Tarr shows that state constitutional politics are dominated by three crucial issues with little salience at the national level the distribution of power among groups and regions within states the scope of state and local governmental authority and the relation of the state to economic activity He explains how state constitutions differ from the national Constitution in treating not only matters of high principle but also such mundane subjects as ski trails and motor vehicle revenues He also explores why state constitutions unlike their federal counterpart have been so frequently amended and replaced Tarr concludes that the United States not only has a system of dual constitutionalism but also has dual constitutional cultures Powerfully argued and meticulously researched the book fills an important gap in political and legal studies and finally gives state constitutions the scholarly attention they richly deserve *The New Mexico State Constitution* Professor Charles E. Smith, 2011-04-15 The New Mexico State Constitution provides an outstanding constitutional and historical account of the state s governing charter It begins with an overview of New Mexico s constitutional history and then provides an in depth section by section analysis of the entire constitution detailing important changes that have been made since its drafting This treatment which includes a list of cases index and bibliography makes this guide indispensable for students scholars and practitioners of New Mexico s constitution Previously published by Greenwood this title has been brought back in to circulation by Oxford University Press with new verve Re printed with standardization of content organization in order to facilitate research across the series this title as with all titles in the series is set to join the dynamic revision cycle of The Oxford Commentaries on the State Constitutions of the United States The Oxford Commentaries on the State Constitutions of the United States is an important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions Each volume in this innovative series contains a historical overview of the state s constitutional development a section by section analysis of its current constitution and a comprehensive guide to further research Under the expert editorship of Professor G Alan Tarr Director of the Center on State Constitutional Studies at Rutgers University this series provides essential reference tools for understanding state constitutional law Books in the series can be purchased individually or as part of a complete set giving readers unmatched access to these important political documents *The Penguin Guide to the United States Constitution* Richard Beeman, 2010-08-31 What is the President Congress and the Supreme Court really allowed to do This unique and handy guide

includes the documents that guide our government annotated with accessible explanations from one of America's most esteemed constitutional scholars Known across the country for his appearance on The Daily Show with Jon Stewart Professor Richard Beeman is one of the nation's foremost experts on the United States Constitution In this book he has produced what every American should have a compact fully annotated copy of the Declaration of Independence the Constitution and amendments all in their entirety A marvel of accessibility and erudition the guide also features a history of the making of the Constitution with excerpts from The Federalist Papers and a look at crucial Supreme Court cases that reminds us that the meaning of many of the specific provisions of the Constitution has changed over time Excellent valuable and judicious Jill Lepore The New Yorker

Guide to State Politics and Policy Richard G. Niemi, Joshua J. Dyck, 2013-10-18 No previous book has pulled together into one place a single comprehensive volume that provides up to date coverage of state government and politics along with the states current and future public policies This new book does just that offering students scholars citizens policy advocates and state specialists accessible information on state politics and policy in 33 topical chapters written by experts in the field The guide provides contemporary analysis of state institutions processes and public policies along with both historical and theoretical perspectives that help readers develop a comprehensive understanding of the 50 U S states complex and changing political spheres Those who use this volume from experienced scholars to neophytes can rely upon the guide to provide Basic factual information on state politics and policy Core explanatory frameworks and competing arguments and Insightful coverage of major policy areas as they have played out in the states

State Constitutions for the Twenty-first Century, Volume 1 G. Alan Tarr, Robert F. Williams, 2006-06-01 The first systematic analysis of the obstacles to state constitutional reform

The North Carolina State Constitution John V. Orth, Paul M. Newby, 2013-03-14 North Carolina's state constitution charts the evolution over two centuries of a modern representative democracy In The North Carolina State Constitution John V Orth and Paul M Newby provide an outstanding constitutional and historical account of the state's governing charter In addition to an overview of North Carolina's constitutional history it provides an in depth section by section analysis of the entire constitution detailing the many significant changes that have been made since its initial drafting This treatment along with a table of cases index and bibliography provides an unsurpassed reference guide for students scholars and practitioners of North Carolina's constitution Co authored by Paul M Newby a sitting justice of the North Carolina Supreme Court the second edition includes significant constitutional amendments adopted since the date of the first edition Almost every article was affected by the changes Some were minor such as the lengthening the term of magistrates and some were more significant such as spelling out the rights of victims of crimes One was obviously major granting the governor the power to veto legislation making North Carolina's governor the last American governor to be given that power In addition the North Carolina Supreme Court has continued the seemingly never ending process of constitutional interpretation Some judicial decisions answered fairly routine

questions about the powers of office such as the governor's clemency power Others were politically contentious such as deciding the constitutional constraints on legislative redistricting And one continues to have momentous consequences for public education recognizing the state's constitutional duty to provide every school child in North Carolina with a sound basic education The Oxford Commentaries on the State Constitutions of the United States is an important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions Each volume in this innovative series contains a historical overview of the state's constitutional development a section by section analysis of its current constitution and a comprehensive guide to further research Under the expert editorship of Professor G Alan Tarr Director of the Center on State Constitutional Studies at Rutgers University this series provides essential reference tools for understanding state constitutional law Books in the series can be purchased individually or as part of a complete set giving readers unmatched access to these important political documents

Gale Researcher Guide for: State Constitutions William K. Bolt, 2018-09-28 Gale Researcher Guide for State Constitutions is selected from Gale's academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research

The Law of American State Constitutions Robert F. Williams, Lawrence Friedman, 2023 The second edition of *The Law of American State Constitutions* provides complete coverage of the legal doctrines surrounding applying to and arising from American state constitutions and their judicial interpretation Drawing on examples from specific states Professors Williams and Friedman analyze the nature and function of state constitutions in contrast to the federal Constitution including rights separation of powers issues of interpretation and the processes for amendment and revision In this edition Williams and Friedman focus on recent developments including the state constitutional dimensions of same sex marriage and the reaction of state courts to U S Supreme Court decision making This edition of *The Law of American State Constitutions* remains an important analytical tool that explains the unique character and the range of interpretive approaches to these constitutions It covers the structure of state governments under state constitutions as well as the distribution of powers among the legislative executive and judicial branches Like the first edition this edition presents a complete picture of state constitutional law and the attributes and features that make this body of law so distinctive

State Constitutions for the Twenty-first Century, Volume 2 Frank P. Grad, Robert F. Williams, 2006-06-01 Identifies problems reformers face in drafting or amending state constitutions

State Constitutions for the Twenty-first Century, Volume 1 Robert F. Williams, G. Alan Tarr, 2006-06-01 Through illuminating case studies of reform efforts in Alabama California Colorado Florida New York and Virginia this book the first of three volumes provides the first systematic analysis of the political obstacles to state constitutional reform For those seeking constitutional reform this useful resource can spell the difference between success and failure and for those interested in state politics or constitutional politics it offers rare insight into a distinctive aspect of American constitutionalism Written by

eminent scholars who were in many cases also active participants in the reform campaign the essays provide practical experience expert analysis and lessons for future constitutional reformers *State Constitution-making, with Especial Reference to Tennessee* Wallace McClure, 1916 The United States Constitution in Film Eric T. Kasper, Quentin D. Vieregge, 2018-10-15 The U S Constitution is often depicted in popular films teaching lessons about what this founding document means and what it requires Mr Smith Goes to Washington educates how a bill becomes a law 12 Angry Men informs us about the rights of the accused Selma explores the importance of civil rights voting rights and the freedom of speech Lincoln shows us how to amend the Constitution Not only have films like these been used to teach viewers about the Constitution they also express the political beliefs of directors producers and actors and they have been a reflection of what the public thinks generally true or not about the meaning of the Constitution From the indictment of Warren Court rulings in Dirty Harry to the defense of the freedom of the press in All the President s Men and The Post filmmakers are often putting their stamp on what they believe the Constitution should mean and protect These films can serve as a catalyst for nationwide conversations about the Constitution and as a way of either reinforcing or undermining the constitutional orthodoxies of their time Put another way these films are both symbols and products of the political tug of war over the interpretation of our nation s blueprint for government and politics To the contemporary student and the casual reader popular films serve as an understandable way to explain the Constitution This book examines several different areas of the Constitution to illuminate how films in each area have tried to engage the document and teach the viewer something about it We expose myths where they exist in film draw conclusions about how Hollywood s constitutional lessons have changed over time and ultimately compare these films to what the Constitution says and how the U S Supreme Court has interpreted it Given the ever present discussion of the Constitution in American politics and its importance to the structure of the U S government and citizens rights there is no question that the popular perceptions of the document and how people acquire these perceptions are important and timely *The Michigan State Constitution* Associate Professor Susan P. Fino, 2011-04-18 The Michigan State Constitution provides an outstanding constitutional and historical account of the state s governing charter In addition to an overview of Michigan s constitutional history it provides an in depth section by section analysis of the entire constitution detailing important changes that have been made since its drafting This treatment along with a list of cases index and bibliography provides an unsurpassed reference guide for students scholars and practitioners of Michigan s constitution Previously published by Greenwood this title has been brought back in to circulation by Oxford University Press with new verve Re printed with standardization of content organization in order to facilitate research across the series this title as with all titles in the series is set to join the dynamic revision cycle of The Oxford Commentaries on the State Constitutions of the United States The Oxford Commentaries on the State Constitutions of the United States is an important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions

Each volume in this innovative series contains a historical overview of the state's constitutional development a section by section analysis of its current constitution and a comprehensive guide to further research Under the expert editorship of Professor G Alan Tarr Director of the Center on State Constitutional Studies at Rutgers University this series provides essential reference tools for understanding state constitutional law Books in the series can be purchased individually or as part of a complete set giving readers unmatched access to these important political documents

The Rhode Island State Constitution Patrick T. Conley, Robert G. Flanders, 2011 Rhode Island has a long history of constitutional governance Beginning in 1636 Rhode Island's constitution has been shaped by revolution nation building tumult and further changes wrought by everything from neo liberalism to gay rights The result has been a living document reflecting conflicting and changing values making the Rhode Island constitution an essential resource for understanding the cultural history of this state In *The Rhode Island State Constitution* Patrick T Conley and Robert J Flanders provide an outstanding constitutional and historical account of the state's governing charter In addition to an overview of Rhode Island's constitutional history it provides an in depth section by section analysis of the entire constitution detailing the many significant changes that have been made since its initial drafting This treatment along with a table of cases index and bibliography provides an unsurpassed reference guide for students scholars and practitioners of Rhode Island's constitution Previously published by Greenwood this title has been brought back in to circulation by Oxford University Press with new verve Re printed with standardization of content organization in order to facilitate research across the series this title as with all titles in the series is set to join the dynamic revision cycle of *The Oxford Commentaries on the State Constitutions of the United States* The *Oxford Commentaries on the State Constitutions of the United States* is an important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions Each volume in this innovative series contains a historical overview of the state's constitutional development a section by section analysis of its current constitution and a comprehensive guide to further research Under the expert editorship of Professor G Alan Tarr Director of the Center on State Constitutional Studies at Rutgers University this series provides essential reference tools for understanding state constitutional law Books in the series can be purchased individually or as part of a complete set giving readers unmatched access to these important political documents

Bicentennial of the United States Constitution, 1990

The New Jersey State Constitution Robert Forrest Williams, 2012-05-24 The New Jersey State Constitution provides an outstanding constitutional and historical account of the state's governing charter In addition to an overview of New Jersey's constitutional history it provides an in depth section by section analysis of the entire constitution detailing the many significant changes that have been made since its initial drafting This treatment along with a table of cases index and bibliography provides an unsurpassed reference guide for students scholars and practitioners of New Jersey's constitution State constitutions perform different functions and contain different provisions from the more familiar U S

Constitution The book first outlines the historical development of New Jersey's state constitution from 1776 to the present and explains the highlights of the process of state constitutional development leading to the current New Jersey constitution. Next, each section of the current constitution is analyzed, including its origins, general intent and purpose, and important judicial interpretations illustrating the types of situations in which the section can come into play, including references to key academic analysis of each section. Careful explanation is provided with illustrations from cases of the complex and evolving relationship between rights guaranteed by the U.S. Constitution and rights guaranteed by the New Jersey constitution. In many instances, New Jersey's rights can be more protective than those included in the Federal Constitution. Finally, the book provides a thorough bibliographical essay reviewing the evolution of the New Jersey constitution.

The Oxford Commentaries on the State Constitutions of the United States is an important new series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions. Each volume in this innovative series contains a historical overview of the state's constitutional development, a section-by-section analysis of its current constitution, and a comprehensive guide to further research. Under the expert editorship of Professor G. Alan Tarr, Director of the Center on State Constitutional Studies at Rutgers University, this series provides essential reference tools for understanding state constitutional law. Books in the series can be purchased individually or as part of a complete set, giving readers unmatched access to these important political documents.

State Constitutions of the United States Robert Maddex, 2005-09-23 Newly updated and reflecting the diversity of state policies and the issues that are important to them, *State Constitutions of the United States* collects, explains, and offers comparison of each of the fifty state constitutions. Its in-depth explorations and easy-to-follow structure reveal individual state priorities, the significance of state constitutions, and their impact on issues that affect the day-to-day lives of citizens. This major revision incorporates specific details and describes trends and patterns in state constitutions, drawing on over 380 amendments passed since the first edition of this resource was published in 1998. These amendments address at the state level important issues that are also being debated on the national level, such as freedom of religion, Alabama tobacco, Arizona death penalty, Florida and same-sex marriage in a number of states. The new edition addresses all of these issues and more in well-organized state-by-state chapters, including a new chapter on Washington, D.C. Beyond the extensive state-by-state coverage, this resource provides further insights through supplemental materials, including an overview of state constitutions, comparative tables, new rights such as privacy and victims' rights, special provisions such as the environment and home rule, and much more. This is the only one-volume resource on state constitutions designed to inform non-specialists, including students, non-constitutional scholars, and interested citizens about the variety, influence, and continual revision and innovation that define state constitutions in the U.S. A wide range of libraries, including those that serve college students, AP high school students, and the general public, will want to update their collections with this unique and essential reference work.
