Guide to Books in Print, 1993 **Religious Books, 1876-1982**, 1983 **Edwards on the Christian Life** Dane Ortlund, 2014-08-31 Jonathan Edwards is widely hailed as the greatest theologian in American history In *Edwards on the Christian Life* Dane Ortlund invites us to explore the great eighteenth century pastor's central passion God's resplendent beauty Whether reflecting on the nature of love the preeminence of Scripture or the glory of the natural world the concept of beauty stood at the heart of Edwards's theology and permeated his portrait of the Christian life Clear and engaging this accessible volume will inspire you to embrace Edwards's magnificent vision of what it means to be a Christian enjoying and reflecting of the beauty of God in all things Part of the *Theologians on the Christian Life* series *The Bookseller and the Stationery Trades' Journal*, 1886 Official organ of the book trade of the United Kingdom *More Than Heaven* T. Jeff Taylor, 2022-06-10 The Protestant church has wrestled since the time of the Reformation with how believers can be saved by grace but rewarded in degrees based on their works Though some through the years have argued that the Scriptures don't actually teach differing degrees of reward this has been the predominant view This book takes the minority view Believers are saved by grace alone through faith alone and the believers rewards and glorification are based on the finished work of Christ alone It is grace from start to finish The church is the bride of Christ and in the end all that is his is hers *Dutch Calvinism in Modern America* James D. Bratt, 2002-12-30 In this scholarly yet entertaining book James D Bratt takes a look at the Dutch in America from the late 19th century to the present A comprehensive study of an ethnic subculture the book is in large part a study of the group's religious history as well since as Bratt points out the contours of the Dutch presence in America have been overwhelmingly shaped by the church and its subsidiary organizations Although the book is extensively and scrupulously documented Bratt has infused his scholarship with a considerable amount of anecdote that is by turns poignant and tragic and hilarious In Bratt's analysis of the fitful progress of Americanization that this close knit religious community has undergone we are treated to the sharp insights of a bemused and sometimes disaffected insider Included is a chapter on novelists Arnold Mulder David Cornel DeJong Frederick Manfred and Peter DeVries four sons of the Dutch who fled the subculture only to reflect upon it almost obsessively from the outside Well written scholarly and highly readable *Dutch Calvinism In Modern America* will have wide appeal among both academic and general readers *Bookseller and the Stationery Trades' Journal*, 1886 *Covenant Theology* Guy Prentiss Waters, J. Nicholas Reid, John R. Muether, 2020-10-16 A Comprehensive Exploration of the Biblical Covenants This book forms an overview of the biblical teaching on covenant as well as the practical significance of covenant for the Christian life A host of 26 scholars shows how covenant is not only clearly taught from Scripture but also that it lays the foundation for other key doctrines of salvation The contributors who engage variously in biblical systematic and historical theology present covenant theology not as a theological abstract imposed on the Bible but as a doctrine that is organically presented throughout the biblical narrative As students pastors and church leaders come to see the centrality of covenant to the Christian faith the more the church will be strengthened with

faith in the covenant keeping God and encouraged in their understanding of the joy of covenant life
