Giving Students a Say Myron Dueck, 2021-01-26 Assessment is an essential part of teaching and learning but too often it leads to misleading conclusions sometimes with dire consequences for students How can educators improve assessment practices so that the results are accurate meaningful informative and fair Educator and best selling author Myron Dueck draws from his firsthand experience and his work with districts around the world to provide a simple but profound answer put student voice and choice at the center of the process In this engaging and well researched book Dueck reveals troubling issues related to traditional approaches and offers numerous examples of educators at all levels who are transforming assessment by using tools and methods that engage and empower students He also shares surprising revelations about the nature of memory and learning that speak to the need for rethinking how we measure student understanding and achievement Readers will find sound advice and detailed guidance on how to Share and cocreate precise learning targets Develop student friendly rubrics linked to standards Involve students in ongoing assessment procedures Replace flawed grading systems with ones that better reflect what students know and can do and Design structures for students self reporting on their progress in learning Inspired by the origins of the word assessment derived from the Latin for to sit beside Dueck urges educators to discard old habits and instead work with students as partners in assessment For those who do the effort is rewarding and the benefits are significant

Interpreting Professional Self-Regulation Abigail Beach, Celia Davies, 2013-02-01 Interpreting Professional Self Regulation analyses the contribution made by the UKCC to the development of the nursing profession in this country over the last 30 years It details the key issues the council grappled with during this time and provides in depth analyses of the complexity of these issues There is a general consensus that the current view of nursing s regulatory body will culminate in a major shake up of the way the nursing profession is governed and in which the UKCC will be radically transformed This publication of the history of the

UKCC will mark the close of a very significant period in nursing's history and the opening of wider debates about ensuring the safety of the public through regulation of health professionals. This is an important text for all those who teach on professional and policy issues in nursing giving them a factual background that has never been brought together before enabling them to bring discussion of post registration education discipline and other professional matters more firmly into the curriculum.
