No Mans Blood:

No Man's Blood Gene Church,1982 *The Dead Man's Blood* K.C. Adams,2025-03-06 Does the past hold answers that could save their futures Edie When I set off to find out about myself I didn t expect to find out about vampires Apparently they re real And also want to kill me for my powers What s worse There s a vampire hunter on the loose Who should I trust The vampires who want my blood or the hunters who think my powers make me evil Niamh I so don t have the energy or patience to solve other people s mysteries right now There s a demon out to kill my daughter I have bigger problems But when I meet a little boy who s haunted by his past life I m the only one who can help him If his past life s murder isn t solved soon it could haunt him in this life and the next The justice system failed him once I can t let that happen again But what can I do My powers are useless And I have no relevant qualifications or connections How will anyone ever believe me when I tell them who the real murderer is *Blood/Pursuit of the Mountain Man* William W.
