Not My Type PART 2 Jael, 2024-04-22 Pastor Noah and Marlena Phillips's love for each other may not be enough to keep their new marriage from quickly disintegrating. An upcoming trial cultural differences their interracial blended family and the subtle prejudices of others have become a formidable enemy. Why are you looking at me like that Marly wondered aloud. Do you want to talk about what happened today Noah asked hoping she'd get it off her chest. No not particularly she responded not in the mood to talk. Do you mind if I do he asked. Suit yourself she replied in a dismissive tone. Look Marly I'm sorry if I hurt your feelings but But what Noah she lashed out abruptly feeling her anger resurface *Not My Type*

Jael, 2011-05-18 One look at Marlena Porter reignites in Pastor Noah Phillips the passion to live life to its fullest. Not since the death of Colleen has Noah so deeply desired to capture the love of a woman. How can he get her to understand that race is not an issue in the eyes of God. Marlena Porter cannot understand her attraction to Pastor Noah Phillips. After all Caucasian men have never appealed to her and to make matters worse he pastors a prominent all white suburban church. She would have to be a glutton for rejection or foolishly in love to allow him to court her. Either way there is a threatening storm brewing on the horizon *Not My Type*

Apryl Williams, 2024-02-06 In the world of online dating race based discrimination is not only tolerated but encouraged as part of a pervasive belief that it is simply a neutral personal choice about one's romantic partner. Indeed it is so much a part of our inherited wisdom about dating and romance that it actually directs the algorithmic infrastructures of most major online dating platforms such that they openly reproduce racist and sexist hierarchies. In *Not My Type Automating Sexual Racism in Online Dating* Apryl Williams presents a socio technical exploration of dating platforms algorithms their lack of transparency the legal and ethical discourse in these companies community guidelines and accounts from individual users in order to argue that sexual racism is a central feature of today's online dating culture. She discusses this reality in the context of facial recognition and sorting software as well as user experiences drawing parallels to the long history of eugenics and banned interracial partnerships. Ultimately Williams calls for both a reconceptualization of the technology and policies that govern dating agencies and also a reexamination of sociocultural beliefs about attraction beauty and desirability *No Twists, No Turns, Just Love: Interracial Romance*
